The WDVCB have been on a tourism and marketing journey that is unique and like no other region in Wisconsin. The WDVCB is a private, not-for-profit membership organization that collectively pools membership investments to create and promote area wide campaigns through various marketing initiatives. We look forward to the opportunity to partner with you on this exciting journey!

MISSION STATEMENT

The WDVCB is the official destination marketing organization for the Wisconsin Dells area whose mission is to grow the economic impact of tourism through marketing, public relations and development efforts that benefit our visitors and members.

ECONOMIC IMPACT:

WDVCB INVESTMENTS

2015 MARKETING EXPENSES: \$8,681,312

2015 TOTAL EXPENSES: \$10,747,054

VISITOR SPENDING

	2014	2015	% Change
Direct Impact*	\$1,014,547,665	\$1,087,204,035	7.2%
Total Impact**	\$1,388,508,708	\$1,460,814,203	5.2%

* Travelers create direct economic value within a discreet group of sectors (e.g. recreation, lodging - details on page 5.) This supports a relative proportion of jobs, wages, taxes and GDP within each sector.

** Each directly affected sector also purchases goods and services as inputs (e.g. food wholesalers, utilities) into production. These impacts are called indirect impacts. Lastly, the induced impact is generated when employees whose incomes are generated either directly or indirectly by tourism, spend those incomes in the state economy.
