EXPERIENCE THE MAGIC of Wisconsin Dells

The words “Wisconsin Dells” have conjured up magical memories for generations of visitors. Growing up here, I felt that magic, and – while working in my family’s business – I saw it in the eyes of others as well. My love for our community is why I continue to call it home and is what inspires me every day to connect visitors to these magical experiences.

Over the years, the allure of Wisconsin Dells has continued to evolve. We’ve grown from an outdoor summer vacation spot into a year-round destination, earning the title “The Waterpark Capital of the World!®” While the attractions may have changed slightly over the years, their effect on visitors has remained the same – magical!

The 2024 Wisconsin Dells Vacation Guide® highlights the newest additions to that magic and includes the debut of America’s tallest

waterslide. The guide also looks back in time, tracing the history of famous Wisconsin Dells waterparks. Outdoor enthusiasts will enjoy stories on the region’s unforgettable state parks and activities on the Wisconsin River. For travelers with small children, we’ve included tips on toddler-friendly attractions, and for those without, there are a host of suggestions for grown-ups seeking “adult” getaways. We’ve also included recommendations for multi-generational groups.

Whatever type of vacation you’re dreaming of, you’ll be able to find it here. Join us in 2024 and experience the magic of Wisconsin Dells!

WHAT'S IN A NAME?

Uncover “The Waterpark Capital of the World!®”

Can you believe Wisconsin Dells is closing in on nearly 50 years of waterpark history? That fact is sure to surprise even the most seasoned waterpark fans. While the city's long tourism history means that many of the waterpark resorts in the area can rightly be called “classic” attractions, waterpark innovations here are as never-ending as waves in an ocean, with the Dells regularly first in the world with new water rides. Let's take a slide down memory lane to uncover how and why Wisconsin Dells became known as “The Waterpark Capital of the World!®”

ALWAYS EVOLVING

Natural beauty meets man-made fun

The first visitors to the area arrived by train in the late 1800s to take rowboat and, later, steamboat tours of the Wisconsin River, lured by stunning photographs taken by Wisconsin Dells native, H.H. Bennett, considered one of the pioneers of landscape photography. Bennett's images of women with parasols and men with brimmed hats during a river tour has given way to Instagram snaps of moms and dads gathering the kids under a beach umbrella at the waterpark for a quick shade break and selfie before dashing off to try the next waterslide.

1978 was the year that produced the first glimmer of waterpark domination to come. Be sure to pay attention to the year 1989 too, when Wisconsin Dells invented the indoor waterpark. This is an abbreviated timeline, but you'll get the picture as we chronicle every major first, biggest, and best waterslide. ►

THE ULTIMATE WATERPARK CREDENTIALS

Today, there are more waterparks in Wisconsin Dells of every size per capita than anywhere else on the planet. Yes, the planet! To break it down even more, there are 200+ waterslides to ride in the Dells, so better get to it. Supporting all that aqua fun is 16+ million gallons of water.

While the Dells area started with outdoor waterparks for summer visitors, it was the invention of the indoor waterpark that transformed Wisconsin Dells into a year-round destination. The tropical indoor temps at the waterparks, hovering in the 80-84 degrees Fahrenheit range, proved irresistible to winter-weary travelers.

As the community reached waterpark critical mass, visitors started affectionately referring to Wisconsin Dells as the waterpark capital. The Wisconsin Dells Visitor & Convention Bureau made it the official trademark in its 2006 marketing campaign.

So now you know how Wisconsin Dells became "The Waterpark Capital of the World!®" ■

WHAT'S NEW IN 2024

Big news from the big waterpark resorts tops this year's list

The thrill of revealing the new waterpark developments in Wisconsin Dells for the coming year never gets old, especially when you're "The Waterpark Capital of the World!®" So that's how we kick off this story. But do read to the end because there are plenty of new attractions, restaurants, and hotels to add to the thrill of your next visit.

ATTRACTIONS EARNING TOP BILLING FOR 2024

America's tallest waterslide opening at Mt. Olympus

Biggest, best, first, fastest. Those are all adjectives visitors have come to associate with our waterparks. Now let's add "tallest" to that list, with [Mt. Olympus Water & Theme Park](#) opening "The Rise of Icarus," America's tallest waterslide. This colorful aquatic structure sports five different spiraling body slides with the loftiest coming in at 145 feet and the remaining four measuring 60 feet each.

Families with young children will be pleased to learn about the addition of an expansive outdoor children's play area, featuring a zero-depth wading pool, 10 slides of various sizes, dump buckets, geysers, and more.

Kalahari Resort goes all out with new news

[Kalahari Resorts & Conventions](#) is doing it up big for 2024, with renovations and additions at every turn. The first thing guests will see when they arrive is a lobby transformation, a complete from-the-ground-up renovation

designed to set the tone for an extraordinary stay. For those who love to spa, the completely redesigned [Spa Kalahari & Salon](#) will be a thing of beauty. The remodel also includes the addition of a new redwood dry sauna and an expanded menu of spa treatments. Culinary delights abound at Kalahari, with updates to the adult-only swim-up bar, the introduction of [Cinco Niños](#), a modern Mexican and tequila bar, and the debut of [Sortino's Italian Kitchen](#) in the fall. Accommodations are also getting a facelift, and new Hillside suites are set to open in the summer, ideal for convention attendees.

Unlimited arcade play

[Arcade PvP Bar](#) has unlimited game play for the whole family before 10pm. Then, from 10pm to bar time, it's unlimited play for ages 21+. You'll find a wide swing of games here, including darts, basketball, retro games, pool, and video games. There is cold beer on tap, hot pizza on the menu, and signature non-alcoholic fruit-centric drinks available as well.

Tiger coaster for tots

[Knuckleheads Trampoline Park • Rides • Bowling](#), a lively indoor amusement park, has added a new 12-person roller coaster, perfect for little ones.

This slingshot has two seats and three wheels

Here's a new way to take in Wisconsin Dells scenery – in a two-seat, three-wheeled open roadster known as a Slingshot from [Rake Motorsports](#) in nearby Lyndon Station. Prepare to turn heads as you enjoy a leisurely ride through scenic neighborhoods, or head to country roads for gripping twists and turns.

Play world championship golf courses without leaving Wisconsin Dells

[Fairfield Hills Golf Course & Driving Range](#) has added two new state-of-the-art HD golf simulators, giving golf enthusiasts a chance to play the storied courses of Pebble Beach, St. Andrews, and 50 other real championship courses without leaving the Wisconsin Dells area.

It's show time

[Legacy Dinner Theater](#) has announced a full year of performances for 2024. The winter season opens with a lineup of tribute bands, everything from Elvis and Dolly to AC/DC and Metallica. Then, May through October, the curtain rises on the family-friendly "Sneaky Pete's Wild West Dinner Show," with plenty of songs, dance numbers, stunts, and an all-you-can-eat family-style feast too. Look for their popular "Christmas in the Dells" show to return for November and December.

It's a rush

[Adrenaline Rush Sports](#) offers a different kind of thrill, providing guided ATV and UTV Quad 4 Wheel rentals in the Castle Rock Lake area. From spring through fall, adventurers can explore the Buckhorn Trail System, while winter brings pavement tours through forests and across bridges. For an exhilaration of a different sort, [Adrenaline Rush Sports](#) also offers kayak and stand-up paddleboard rentals on Castle Rock Lake.

A spa experience designed for solitude

The much-acclaimed [Sundara Inn & Spa](#) has added something entirely new to its spa menu. It's called the WellSystem Wave, a 25-minute, add-on massage treatment that uses the heat and pressure of water to relieve stress, with the twist being that it is a completely dry and touchless experience.

A view to Crane City

The [International Crane Foundation](#) is opening a new overlook this summer on its 300-acre Baraboo property. Visitors can enjoy inspiring views of the restored prairie and Crane City, the off-exhibit crane breeding facility. Along with the new overlook, visitors will also marvel at the newly remodeled indoor exhibit space that includes a self-guided interactive journey on the how, where, and why of crane migration.

CARVE OUT TIME TO SHOP

Getting to the point

The uniquely themed gift shop called [The Point](#), a medieval trove of armor, swords, and reproductions of chivalry, has more than doubled in size. The store also carries foam weapons just for fun, and figures from fantasy and folklore for display in your home.

Pure sweetness

[Pure Sugar Factory](#), a wildly fun candy store, has opened on the Wisconsin Dells Parkway. What makes this shop such a sweet experience, aside from the tempting array of classic favorites, oversized delights, and of-the-moment goodies, are the jaw-dropping candy sculptures, sugary mosaics, and other photo op backdrops.

BREAKFAST, LUNCH, AND DINNER ORDERS

Cozy café specializes in breakfast and lunch comfort foods

Discover breakfast bliss at [Courtyard Café](#) in downtown Dells. Make this sun-drenched, family-owned spot your go-to for morning delights such as omelets, pancakes, and biscuits and gravy. They'll also be serving lunch comfort foods, with a walkup service in the summer for ice cream and cold drinks. ▶

The tastes of Asia

The menu at [Sunny Asian Gourmet](#) covers everything from egg drop soup to sushi and Szechuan beef to sesame chicken, just as you'd want from an Asian restaurant. There are house specials including hot pots and a tempting variety of lunch specials too. You'll find this new eatery next to the [Polynesian Hotel Wisconsin Dells](#).

Best view of the lake

[Ishnala Supper Club](#), a dining destination on Mirror Lake since 1953, added a new bar – the Tomahawk Bar – right on the beach, with seating for 50, giving diners another spot to take in the terrific lake views while they wait for their name to be called for dinner. This open-air covered outdoor deck is the perfect spot to enjoy a Brandy Old Fashioned and features live music nearly every night during the peak season.

Fun is always in **SEASON**

Let's start out by stating the obvious: Summer is always a terrific time to visit Wisconsin Dells. A quick page-through of this Vacation Guide attests to that, so, we decided to use this story to show equal love to the other seasons, with a full year's worth of getaway ideas.

SPRING

Can't wait to venture outdoors

When you live in a climate with four distinct seasons, spring is the time of year you absolutely welcome with open arms, and that goes double for outdoorsy types. We suggest planning one getaway just for hiking the four state parks in the area. Rocky Arbor has a one-mile self-guided nature trail, so it's a good place to get your legs moving after spending a long winter indoors. The 19 miles of trails at Mirror Lake are tranquil beyond words. At Roche-A-Cri, take the stairway to the top of the park's 300-foot

rock outcropping, once a mound in a glacial lake dating back more than one million years, for spectacular views. Stick to the low slopes at Devil's Lake for now, leaving the elevation thrills at this exceptional park for later seasons.

If you're looking to dodge April showers, move indoors, where indoor waterparks and amusement parks are all the rage among school-age spring breakers. The big resorts are busting in the spring, so book early to ensure a place at your favorite, be it [Wilderness Hotel & Golf Resort](#), [Chula Vista Resort](#), [Kalahari Resorts & Conventions](#), [Great Wolf Lodge](#), or [Mt. Olympus Water & Theme Park Resort](#). Once everyone in the family dries off, head to the

indoor amusement parks, with [Tom Foolerys Adventure Park](#) and [Knuckleheads Trampoline Park • Rides • Bowling](#) being solid choices in the spring.

Don't move indoors just yet – not when the scenic tours of the Wisconsin River at [Dells Boat Tours®](#) are open for business. See the sandstone cliffs glow in the spring light just as the vegetation below is starting to green up. Animal attractions open in the spring, with [Wisconsin Deer Park](#), [Timbavati Wildlife Park](#), and the [International Crane Foundation](#) being wonderful choices in their own right. Even for the anxious golfer, there are six area courses calling your name. ▶

SUMMER

Fill your days with classic fun

There is no better place to experience the joy of waterparks than Wisconsin Dells and no better season than summer. The big resorts and many of the mid-sized properties have outdoor waterparks where you'll want to try your best to experience every slide. That will be an especially tall order at [Noah's Ark Waterpark](#), the largest outdoor waterpark in the country. Wisconsin Dells even has a water playland at a campground – it's [Yogi Bear™ Camp-Resort & Water Playground](#).

Outdoor amusement parks should also make your itinerary. Go go-karting at [Mt. Olympus Water & Theme Park](#), conquer your fear of heights at [BigFoot Ropes Course](#), and putt around at [Yeti Yard Next Level Adventures'](#) mini-golf course. Take a scenic tour on a Duck, an amphibious WWII craft, with the Dells having the largest fleet in America, or go the drenching route with a ride on a jet boat.

Shop the downtown district, dine al fresco, visit the new [Elm Street Plaza](#), rent a paddle craft or boat to explore area lakes and quiet stretches of the Wisconsin River, and bask in the sweet aroma of lavender during the July harvest at [New Life Lavender & Cherry Farm](#).

FALL

Kaleidoscope of vacation ideas

Wisconsin Dells has a colorful story to tell come fall. Consider horseback riding through the countryside, picking up a cornucopia of fresh produce at [Country Bumpkin Farm Market & Lil' Bumpkin Play Village](#), biting into a bright green Granny Smith apple smothered with homemade caramel from [Swiss Maid Fudge](#), and exploring the natural riverfront landscape at [Land of Natura](#) where you'll find North America's longest suspended tree canopy tour.

Fall seems the ideal time for winery tours too, with the community serving up a slowed down pace for all that sipping. There are a half-dozen distinct wineries in the area, so lots to sample.

The pumpkin train ride on the kid-sized train at [Riverside & Great Northern Railway](#) is a fall tradition for many families. Or take an Autumn Color or Pumpkin Special train ride through the countryside on restored steel coaches built a century ago at [Mid-Continent Railway Museum](#). ▶

WINTER

Thrill to the chill

Here's a fun fact: Winter came in second last year as the most popular season to visit Wisconsin Dells right after, you guessed it, summer. As for reasons why, let's start with the holidays. The waterpark resorts are always decked out for a season of cheer, as is the downtown district with its dazzling Tree of Light displays near the Scenic River Walk and at the [Elm Street Plaza](#). Visitors enjoy embracing the snow, especially when there's a fresh powdery base to play on at [Christmas Mountain Village Ski, Snowboard & Tube](#), and [Cascade Mountain Ski, Snowboard & Snow Tube](#).

One of our favorite things about winter in Wisconsin Dells is you can still enjoy the waterparks no matter how blustery

the temps get outside. Splash and slide to your heart's content, without ever leaving the Midwest.

You could say winter is live music season in the Dells too, with national acts making stops at [Crystal Grand Music Theatre](#) and [Ho-Chunk Gaming, Wisconsin Dells](#). Speaking of gaming, the action is always hot at [Ho-Chunk](#) – we're talking slots, blackjack, bingo, and more. Try a hot stone massage at one of the area spas. If you're staying at [Sundara Inn & Spa](#), swim outside in their infinity pool, which is heated year-round.

Ziplining is offered year-round at [BigFoot Zipline Tours](#) – just call ahead for specific tour times. At [Vertical Illusions Zipline, Kayak & Rock Climbing Guided Adventures](#), not only can you go winter ziplining through their eco-park but you can also take a stab at ice climbing a frozen waterfall, or, if you prefer to stay grounded, reserve a guided cross-country ski tour. ■

For one, for all, **FOR GROWNUPS**

It may seem counterintuitive, Wisconsin Dells as a destination for an adult vacation, but hear us out on this one, as the Dells really does deliver on the promise of a great getaway for grown-ups. To prove our point, we compiled ideas for twosomes, solo travelers, and groups. By the time you get to the end of this story, we predict you'll be mapping out an adult-only escape of your own. ►

FOR COUPLES

Enjoy each other's company exploring shared interests

When you make a vacation all about the two of you, something magical happens – you get to do the things you love with the one you love.

- Foodies and wine enthusiasts who plan travel around food trails will relish all the great Wisconsin supper clubs in the area. There's [Ishnala Supper Club](#) (open seasonally on Mirror Lake), [House of Embers](#), [Field's at the Wilderness](#), [The Del-Bar](#), [Double Cut Steak House](#), and [Kaminski's Chop House](#). Pair with a visit to historic [Wollersheim Winery & Distillery](#) where you can tour the hillside vineyards or [Fawn Creek Winery](#) where wine sampling, live music, and gift shopping make for a pleasant afternoon. Wine always pairs nicely with Wisconsin cheese from [Market Square Cheese](#). Book a sunset dinner cruise with [Dells Boat Tours®](#) for your last night, and toast to togetherness.
- When relaxation and wellness go hand-in-hand, consider [Sundara Inn & Spa](#) as the place to stay and spa. It's adults-only with multiple pools, luxe accommodations, complimentary fitness classes, and chef-prepared cuisine.
- If you're celebrating an anniversary, reserve a suite at [The VUE – A Boutique Hotel](#) overlooking the Wisconsin River or a cozy red cabin offered by [Island Pointe Resort](#) on Lake Delton. Don't overrule a stay at a waterpark resort, even if just for the chance to toast to your milestone at a swim-up bar.
- You have permission to hold hands during that new movie you've wanted to see that's playing at the [Big Sky Twin Drive-In Theater](#), or at a performance of your favorite band headlining at [Crystal Grand Music Theatre](#) or [Ho-Chunk Gaming, Wisconsin Dells](#).

- ➔ Take to the outdoors when you rent a kayak or standup paddleboard from [Dells Watersports: Full Service Marina & Boat Rentals](#) with locations on Lake Delton and Mirror Lake. Hiking at area state parks including Devil’s Lake and Mirror Lake is endorphin-eliciting. If you’re staying at a waterpark resort, grab a single tube and float on a lazy river. At [Chula Vista Resort Waterparks](#), their wave pool is nestled amongst sky-high pine trees along the Wisconsin River and has a large sundeck with lounge chairs.
- ➔ Other ways to connect with the land include a tour of [New Life Lavender & Cherry Farm](#), a visit to [Country Bumpkin Farm Market & Lil’ Bumpkin Play Village](#), and a stroll of the [International Crane Foundation](#) to see all 15 species of cranes. ▶

WILD ENCOUNTERS

The full menagerie of animal attractions in the Dells

There are a myriad of ways to connect with nature in Wisconsin Dells. A scenic tour of the Wisconsin River. A hiking or paddling excursion at a state park. Fishing on Lake Delton. Snowshoeing and skiing in the winter months. Perhaps the one way to connect with nature that resonates with visitors young and old is to visit an animal attraction. Take a look at the endless options that await in Wisconsin Dells. ►

Wisconsin Deer Park

International Crane Foundation

UP CLOSE AND PERSONAL ENCOUNTERS

There is no better place to start this story than at one of Wisconsin Dells' original attractions, [Wisconsin Deer Park](#), a true heartland experience that has charmed families for 70+ years. At this 40-acre park you can pet and feed some 100 deer, including the graceful Virginia White Tail and the fan favorite Spotted English Fallow deer, with antlers like a moose. Visit May through mid-June and there's even a chance you'll see newborn fawns.

For down-on-the-farm fun, spend part of your day at [Country Bumpkin Farm Market & Lil' Bumpkin Play Village](#). While fresh berries and veggies picked daily are a bounty not to be missed, the petting area with its sweet farm animals is a big draw too. There are goats, donkeys, chickens, ducks, and their miniature horse, Duke. Baby goats are born throughout the summer, making for cute interaction with the kiddos in your family.

At the 25-acre [Timbavati Wildlife Park](#), up-close encounters with exotic animals happen every day. More than 75 species are represented here, including giraffes, rhinos, and kangaroos. [Timbavati](#) is fourth-generation family-owned, with the owners' deep knowledge in global conservation guiding their care of the animals. Reserve a VIP-Behind the Scenes Tour for interaction with a variety of animal species. There are even meet-and-greets with sloths and red pandas that you can book in advance.

EXPERIENCE FOR YOURSELF

For an in-the-saddle animal experience, there are three horseback riding stables in the area, each delivering a different take on a trail ride. In the spring, we suggest [Canyon Creek Riding Stables](#) (open March – November), a family-oriented trail riding adventure with an Old West theme. You'll trot down a main street, through a tunnel, and over a bridge, before arriving at beautiful Lost Canyon. A waterfall comes into view on your way back to the stables. After your

ride, saunter over to the petting zoo to feed the goats and donkeys.

In the summer, the 1,400 acres of trails at [Woodside Ranch Riding Stables](#) (open March – November) are a favorite for families. Whether you're a beginner or expert, you'll find a horse that will suit you just fine. There are pony rides for the little ones, a petting zoo, and even a buffalo herd to observe.

For a magical winter ride, reserve a sleigh ride at [Red Ridge Ranch](#) (open year-round). Your journey through the countryside on a horse-drawn sleigh or wagon ride is like a step back in time – plus there is the simple pleasure of warming up with a hot chocolate by the campfire as you wrap up your winter wonderland experience.

For another warm-weather choice from a different perspective: a horse-drawn wagon ride from [Lost Canyon Tours](#) (open March – November) provides natural air conditioning on a sultry summer day as you shimmy through shaded cliff-walled gorges.

CIRCUS WORLD

[Circus World](#) can be found in nearby Baraboo, located on the grounds of the original Ringling Bros. Circus winter quarters. Big Top performances all summer long feature lovable dogs and prancing horses. There are

pony rides offered during the summer performance season too. Be sure to set aside time to see the incredible circus artifacts, from the smallest flea circus prop to the magnificent gilded parade wagons.

9 Canyon Creek Riding Stables

MARVEL FROM AFAR

In nearby Baraboo, the glories of majestic cranes are on full display at the global headquarters of world-renowned [International Crane Foundation](#), the only place on Earth where you can see the complete collection of all 15 species of cranes, many of which are facing extinction. Last year was the organization's 50th anniversary. Staff across the globe work tirelessly to conserve cranes and the ecosystems on which they depend. At the 300-acre headquarters, there are live crane exhibits, guided and self-guided tours, and four miles of nature trails through restored native ecosystems of savanna, prairie, and wetlands. Come see cranes dance and chicks being cared for by their parents. It's an experience that will stay with you for a lifetime.

Another non-profit dedicated to the wild animal kingdom is [Wisconsin Big Cat Rescue & Educational Center](#), a sanctuary for big cats that have been abused, abandoned, or seized. The couple who owns this rescue have been working with big cats for nearly 20 years and have made it their life mission to give the animals a place where they can happily live out their life in peace. Consider a guided Founders Tour to learn the story behind each cat. ■

TRADITION

meets innovation

Picture it: You're planning your next multigenerational summer vacation get-together. There will be toddlers to matriarchs in your travel group. You're feeling the pressure to create the ultimate itinerary and then a brilliant idea hits you: Make the destination Wisconsin Dells, and experience a mix of both classic and new activities to reflect the mix of family members who will be gathering with you. ►

START WITH CLASSICS

Since Wisconsin Dells is such a nostalgic destination, you'll want to keep the traditions going, starting with a scenic tour of Wisconsin Dells. Choose a ride on a WWII amphibious Duck for great splashdowns or take a seat on the upper deck of a Wisconsin River tour boat for incredible scenic views. To really appreciate the beauty of the river and sandstone bluffs that define the landscape, make time for a visit to the original studio of photographer H.H. Bennett, the man who made Wisconsin Dells famous with his exquisite landscape photos from the late 1800s.

Round up the little ones for a visit to [Wisconsin Deer Park](#), followed by horseback riding at one of the local stables. How about some competition that's all in good fun? There's mini-golf at [Timber Falls Adventure Park](#), and [Pirate's Cove Adventure Golf](#), or go-kart racing at [ADare Go Carts](#), and bowling at [Chalet Lanes & Lounge](#). Spark your curiosity with the hair-raising Van de Graaff Generator exhibit at the [Tommy Bartlett Exploratory – Interactive Science Center](#).

before you leave to confirm no one from your group has magically vanished. If you're staying at a classic resort on Lake Delton, like [Baker's Sunset Bay Resort](#), [Aloha Beach Resort & Suites](#), or [Cliffside Resort & Suites](#), extend bedtime to enjoy s'mores and bonfires on the beach.

Before heading home, assemble the whole family for a group photo at one of the old-time portrait studios in the historic downtown district.

WHERE TO DINE

Keep it simple and stick to your favorites is always sound dining advice when traveling with a big group. Here are some recommendations that are tried, true, and tasty:

- Hearty family-style breakfast: Two unbeatable choices are [Paul Bunyan's Northwoods Cook Shanty](#) where breakfast classics are served family-style, including their irresistible homemade buttermilk donuts; and [Mr. Pancake](#), where the secret family recipe pancakes, currently with 16 varieties on the menu, have been a local favorite for more than 50 years.

- Burgers and fries: Two restaurants that do the burgers-and-fries combo right are [Monk's Bar & Grill](#) with two locations and [B-LUX Grill & Bar](#) where you'll want to add a shake to your order.
- Pizza and pasta: The little ones will love that their food is delivered by a miniature train at [Buffalo Phil's Pizza & Grille](#). Try the deep-dish pizza at [Moosejaw Pizza & Dells Brewing Co.](#) and proudly wear your paper moose antler hat. [MACS – Macaroni & Cheese Shop](#) whips up a variety of mac and cheese creations to satisfy kids' tastes and grown-up palettes too, and [Pizza Pub](#) welcomes big family groups with big appetites.

MIX IN SOME MODERN FINDS

Try something new the next time you're in town with the fam, like exploring the full-size labyrinth adventure game [Wizard Quest](#) located at the east end of Broadway in downtown Dells. While you're on that end of town, check out the new [Elm Street Plaza](#)

where your family can pose in front of the Wisconsin Dells themed wings mural for an Insta-worthy photo, and enjoy free nightly entertainment all summer long.

For those in your family who crave an adrenaline rush, there are zipline tours over canyons, jet boat rides on the Wisconsin River, beat-the-clock family-friendly escape experiences at [Booby Trap Escape Rooms](#), and the new [Yeti Yard Next Level Adventures](#) go-kart track with interactive features that allow you to speed up your kart while slowing down your opponent.

While many of the shops in Wisconsin Dells have been in operation for generations, the merchandise is ever-changing so make time for souvenir shopping at longtime favorites including [Winnebago Gift Shop](#) and [Native Sun](#). ▶

📍 Mt. Olympus Water & Theme Park

📍 Land of Natura

📍 Kalahari Resort Waterparks

ALWAYS INCLUDE A WATERPARK

A Wisconsin Dells getaway is never complete without a visit to a waterpark or a theme park, or both if we're being absolutely honest; especially if the kids in your group have boundless energy and the grown-ups are kids at heart. You could say these attractions are the best of old and new, given they've been around for generations, yet the owners are always serving up something new to experience.

Let's start with the waterparks. A day visit to [Noah's Ark Waterpark](#), America's largest outdoor waterpark, is surely on everyone's wish list. Why? Because this attraction has every style of waterslide imaginable. Also, on the day-visit list is the new [Land of Natura](#), where everyone can frolic on America's largest inflatable waterpark before drying off to explore nature and the Wisconsin River shoreline from the vantage point of a suspended 1,150 foot canopy tree tour.

You can also choose a stay-and-play waterpark resort — pick the one that best represents tradition and happy memories for you and yours. [Chula Vista Resort Waterparks](#), [Great Wolf Lodge](#), [Kalahari Resort Waterparks](#), [Mt. Olympus Water & Theme Park](#), and [Wilderness Resort Waterpark](#) are all familiar favorites in this category. Enjoy a plethora of on-site amenities when you go this route, where you'll find everything from dining, shopping, and a whole host of activities to keep all in attendance happy from dawn to dusk.

Once you've dried off and caught your breath, there are a bevy of dry activities in the area worth exploring. [Mt. Olympus Water & Theme Park](#) provides a segue to amusement park suggestions, as their adjoining outdoor theme park is nirvana for roller coaster and go-kart fans. There are two indoor amusement parks to get on your radar as well: [Tom Foolerys Adventure Park](#) with 100,000 sq. ft. of pure fun and [Knuckleheads Trampoline Park • Rides • Bowling](#) where jumping around is always allowed. ■

Playful places for **LITTLE FACES**

They may be tiny but, as any parent will tell you, toddlers have big plans when it comes to play. In Wisconsin Dells, where so many attractions are family owned and operated, the order of the day is to keep the little squirts happy as a clam. ▶

LET THEM SPLASH AROUND TO THEIR HEART'S CONTENT

There are boatloads of big waterparks in Wisconsin Dells, that much is well-known. But did you know that within those waterparks are lots of water attractions sized just right for toddlers? Take [Great Wolf Lodge](#), where toddlers can't get enough of the geysers and sprays on the Fort Mackenzie indoor water fort. Similarly, [Mt. Olympus Water & Theme Park's](#) outdoor Lost City of Atlantis water fortress has lots of toddler-centric features. At [Chula Vista Resort Waterparks](#), their outdoor splash pad area has a giant dumping bucket and smaller waterslides, while indoors, the kiddie play area has a wonderful wading pool. You can't go wrong with the lazy rivers and kiddie swings at [Wilderness Resort Waterpark](#) and [Kalahari Resort Waterparks](#). A longtime favorite of families with littles is Tadpole Bay at [Noah's Ark Waterpark](#).

If this will be your toddler's first visit to a waterpark, why not stay at one of the mid-size waterpark resorts such as [Grand Marquis Waterpark Hotel & Suites](#), [Atlantis Family Waterpark Hotel](#), [Wingate by Wyndham – Wisconsin Dells Waterpark](#), [Meadowbrook Resort](#), or [Clarion Hotel & Suites Wisconsin Dells](#).

Three more terrific options: [Yogi Bear™ Camp-Resort & Water Playground](#), with a zero-depth entry water playground themed to Jellystone Park; [Sherwood Forest Camping & RV Park](#) with a rainbow-hued splash pad and heated pool; and [Natura Treescape Resort](#) with a naturally filtered lagoon where families spend the night in treehouses.

TAKE THEM TO SEE THE SIGHTS

They're never too young to get started on the tradition of taking a scenic Wisconsin River tour. A ride on a land-to-water Duck tour provides just the right mix of engaging sights, fun splashdowns, and smooth motoring to keep toddlers occupied.

What child doesn't love a train ride? Check out two very different train experiences in the area: The [Riverside & Great Northern Railway](#) is a 15-inch gauge miniature steam engine where the locomotive is actually turned by hand on a turntable. This petite train is a perfect size for toddlers. At the [Mid-Continent Railway Museum](#), a full-size historic train of restored steel coaches pulls out of the station as soon as the conductor calls "all aboard" for a seven-mile ride through the countryside. ▶

TODDLERS TAKING MATTERS INTO THEIR OWN HANDS

How many times have you heard your toddler say they want to do it themselves? There are lots of attractions in Wisconsin Dells where you can happily reply “OK!” There’s the [Tommy Bartlett Exploratory – Interactive Science Center](#) with its many interactive science wonders. At the two locations of [Dells Mining Co.](#), toddlers are keen to see which gemstones appear in their sifting pan. Young ones can pet the deer at [Wisconsin Deer Park](#) and visit the animal nursery at [Timbavati Wildlife Park](#). At [Knuckleheads Trampoline Park • Rides • Bowling](#), there is no height requirement for toddlers to bounce on the jumping pillow. At [Tom Foolerys Adventure Park](#), tiny tots will find the Ferris wheel, carousel, and small ropes course to be quite thrilling. [Great Wolf Lodge](#) has a mini magi mode for its MagiQuest attraction designed for children five and younger, with a magic wand opening treasure chests and making crystals glow. ■

SENSORY-FRIENDLY EXPERIENCES

There are several new sensory-friendly experiences in Wisconsin Dells, allowing children with sensory needs and sensitivities to experience the fun. At [Ripley's Believe It or Not! Museum](#), an attraction that's part odditorium mixed with elements of a children's museum, the owners took inspiration from several of their employees who have children with sensory needs to add sensory-friendly gadgets to their new art exhibit which features works of art made from strange materials.

[Noah's Ark Waterpark](#) started Sensory Days last summer, opening the park an hour before it opens to the public, on select days, for families with members who have sensory processing disorders or autism. During that hour, kids can explore rides with fewer people around and fewer loud bells and whistles.

WATERPARK Essentials

Before you cannonball your way into an epic family waterpark vacation, you might be wondering what to pack for a full day of fun in the sun. Consider the following list to help take the guesswork out of what to bring and what to leave behind.

PACK THESE:

- Swimsuit
- Swimsuit cover-up and sun hat
- Waterproof sunscreen
- Waterproof bag for your phone
- Flip flops/water shoes
- Sunglasses
- Beach towel
- Goggles
- Waterproof camera

LEAVE THESE

At home or at the hotel

- Jewelry (you don't want these damaged, and you can't wear them on extreme waterslides anyway)
- Large electronics
- Glassware

FOLLOW THESE ADDITIONAL TIPS

For a stress-free, safe, and enjoyable trip

1 Arrange a Meeting Time and Place

Waterparks are large, especially in "The Waterpark Capital of the World!" so communicate a plan of where to meet and when (be specific – next to the wave pool is too general) to check in with your group.

2 Follow Safety Rules

Always keep an eye out for the littles ones, walk (don't run), follow the directions of lifeguards, and obey all the precaution signs posted on the rides, slides, and pools.

3 Know Your Limits

This one can't be stressed enough, especially if you or someone in your party doesn't know how to swim. Ask for a life jacket as you enter the park or bring your own. Children under a certain age may be required to wear a life jacket.

4 Stay Safe in the Sun

Sun safety, including using sunscreen and staying hydrated by drinking water, is crucial to protect your skin from harmful UV rays and prevent dehydration when spending time in the sun. These simple precautions can help reduce the risk of sunburn, heatstroke, and long-term skin damage.

ADVENTURE AROUND EVERY BEND

All the ways to explore
the Wisconsin River

History, scenery, and fun run deep on the Wisconsin River. Come see how you can explore the river and all its glory. After all, there's fun in every drop when you're in Wisconsin Dells.

One five-mile stretch of the Wisconsin River, remarkable for its scenic beauty and recreational opportunities, defines the community of Wisconsin Dells. In fact, the river literally bisects the city, with the Kilbourn Dam, built in 1909, splitting the river into two sections, the Upper Dells and the Lower Dells. This beautiful section of the river was carved by a failed ice dam on a vast glacial lake. The lake draining all at once, created a cataclysmic flood. Raging meltwaters tearing through compacted sand that had been cemented into rock. This geological event of some 14,000 years ago happened over a matter of mere days and what was left were steep-sided canyons, unusual rock formations, and a river to be called the Wisconsin.

ANCESTRAL LAND

For thousands of years, indigenous Ho-Chunk people have lived along the shore of the Wisconsin River. Their legend of the river's formation is of a spirit taking the form of a serpent that cut through the stone to create channels on a quest to reach the sea.

Landscape photographer H.H. Bennett (1843-1908) is the man credited with making Wisconsin Dells famous with his photos that enticed visitors to travel to the area for scenic tours of the river. He photographed his son jumping Stand Rock, an image that became a staple of area history. His original photography studio still stands on the city's main street, now serving as part museum and part gallery, linking past to present.

The present is what this story explores, with a survey of all the ways to enjoy the river.

SCENIC TOURS

Double-decker boats, Ducks, jet boats, WaveRunners

To ensure you've visited Wisconsin Dells, you really must take a scenic tour of the river. Channel bygone days with a tour on a double-decker boat at [Dells Boat Tours®](#). The Upper Dells tour includes two shore landings – one at mystic Witches Gulch and the other at Stand Rock, where you'll see the famous dog leap from one tall rock outcropping to another. The Lower Dells tour takes you past famous rock formations including Hawk's Beak and the Rocky Islands. This tour company also has ▶

a sunset dinner cruise, complete with a romantic torchlit stroll through Witches Gulch.

There are two tour options via Duck, those amphibious WWII land-to-water vehicles known for great splashdowns in the river.

[Original Wisconsin Ducks®](#) has been in business since 1946 and has the largest fleet of Ducks in the world. [Dells Army Duck Tours](#) run on the Lower Dells where you'll see towering cliffs known by the locals as Grotto Rock, Sugar Bowl, and Lone Rock.

Hold on tight and get ready for the spray (or deluge as the case may be) when you fly across the surface of the river with a jet boat ride from [Jet Boat Adventures](#) on both the Upper and Lower Dells, or a [WildThing Jet Boats](#) tour on the Upper Dells. The spinouts, slides, and power stops really are great fun, especially on a hot summer day.

[Holiday Shores Watersports](#) offers guests an exhilarating tour option on the Upper Dells – a guided tour via personal watercraft. You'll hop on your own WaveRunner and the guide will take you to all the highlights of this section of the river. ▶

TAKE TO THE RIVER

Paddling, tubing, boating, fishing

For up-close experiences close to shore on the quiet parts of the Upper Dells, rent a kayak or stand-up paddleboard from [Holiday Shores Watersports](#), or explore farther from shore when you rent a pontoon boat from them for a relaxing float on the river. [Vertical Illusions Zipline](#), [Kayak & Rock Climbing Guided Adventures](#) takes visitors through the paddlers' paradise known as the Per-Upper Dells, with their guided paddle tours lasting several hours. [River's Edge Resort](#) on the Lower Dells offers group tubing trips with stops at beaches and sandbars, canoe and kayak trips with great fishing along the way, and fishing boat rentals too.

For anyone who'd like to make fishing the focus of their Wisconsin River exploration, start with a guided fishing adventure from [Redbeard Bowfishing](#). There are options for day and evening charters to fish for carp, catfish, and sheephead. If you'll be towing your own fishing boat, launch it at Newport Park on the Lower Dells or the public boat ramp on the Upper Dells, at the intersection of River Road and Indiana Avenue.

WATERFRONT CAMPING

If you love to wake up to the sound of waves lapping the shore, reserve a riverfront tent campsite or rustic cabin at [Holiday Shores Camp-Resort](#). Be sure to take advantage of their private beach while you're there.

A STROLL, THEN DINING WITH A VIEW

The next time you're downtown, look for the arched entrance to the Scenic River Walk and take a stroll along this short, paved walkway to see vistas of the river that were not accessible for many years. Enjoy river views when you dine at [Bella Goose Coffee – Cafe on the River](#), [Mexicali Rose](#), [River Walk Pub Food and Spirits](#), [The District](#), and [The Boathouse](#). ■

RESPECT THE RIVER

For all the scenic beauty of the Wisconsin River, it must be said that water safety is never to be treated lightly. While the flow of the river may not be noticeable to someone standing on the bank or wading at the edge of a sandbar, the current is

strong enough to overcome even strong swimmers. The Wisconsin Department of Natural Resources encourages everyone to wear a life jacket when in or on the river. Respecting the power of the river will help keep you and your family safe.

Everything you need to know
about downtown Wisconsin Dells

Lots of U.S. cities have a street named Broadway, but no one does Broadway quite the way Wisconsin Dells does. This historic district is dotted with fun, unique finds that line both sides of this very walkable thoroughfare as well as the charming side streets. Let's get to the specifics in this ultimate guide of downtown Dells. ▶

HERE'S WHY FAMILIES FLOCK HERE

Downtown Wisconsin Dells, where tourism began, has always been a draw for families. It's here you'll find the historic boat landing where you can board [Dells Boat Tours®](#) for a sightseeing excursion of the Wisconsin River. For active fun, there are three mini-golf courses, a go-kart track, [Dells Mining Co.](#) where you can pan for gemstones, a full-size interactive adventure at [Wizard Quest](#), [Ripley's Believe It or Not! Museum](#), and indoor laser tag at [Wild Fun Zone](#). The new [Elm Street Plaza](#) is the perfect pit stop while exploring downtown, and parents will delight in watching their kids jam out to free nightly summer entertainment.

When on Broadway, you can't help but bump into a sweet shop or two. Homemade fudge is the calling card at [Dells Fudge Company](#), [Swiss Maid Fudge](#), [Wisconsin Dairyland Fudge](#),

and [Original Wisconsin Dells Fudge](#), plus there's the candy emporium [Goody Goody Gum Drop](#). There's also a museum dedicated to root beer – root beer float anyone? For those who crave salty snacks, munch on your favorite flavor of popcorn from [Oodlesmack Popcorn](#) or [Kernel Popcorn's Factory/Candy Kitchen](#), but before you dig into all those sweets, sit down to a hearty meal at [MACS – Macaroni & Cheese Shop](#), [Monk's Bar & Grill](#), or [Mexicali Rose](#), which can be found just across the bridge and below the hill.

Shop for moccasins for the whole family at [Winnebago Gift Shop](#) – it's tradition, after all – or let the kids pick out a super cute school backpack at [Made With Love](#) for back-to-school.

On warm summer evenings, it's not unusual to find shops staying open late, so mosey on into [The Pickled Cowboy](#) western boutique for country style, hats to boots. Perhaps some in the group would like to book an evening tarot card reading at [Psychic in the Dells](#), while others head straight to [Showboat Saloon](#) for after dinner drinks before heading outside to [Mama's Garage](#) for live music under the stars. Same scenario goes for [The Keg Bar & Grill/The Patio](#).

COUPLES LOVE IT TOO

Stroll hand in hand as you explore unexpected finds for couples in downtown Dells, starting with [Dells Bells Wedding Chapel](#) where, yes, you can have a

Vegas-style wedding of your own. Instead of a wedding cake, how about a cheesecake from [Cheese Cake Heaven Deli Restaurant](#)? For bouquets and boutonnieres, choose [Thompson's Full Bloom](#). Photos along the Scenic River Walk would be spectacular. Then celebrate the occasion with dinner at [High Rock Café](#) and a toast to togetherness at [Kilbourn Cork](#) premium wine bar. For those visiting for, say, an anniversary, do a little shopping at [DooHickey's Gifts](#) for home décor finds to decorate your home together. Sit side-by-side in a booth at [Huckleberry's Ice Cream & Bakery](#) to share an ice cream sundae for two. Are you ready to get those matching tattoos you've wanted? There are two studios right downtown: [Alpha Red Tattoo and Barber Studio](#) and [Point Blank Tattoo](#).

Make travel a breeze when you take the Amtrak train to Wisconsin Dells. The depot station is conveniently located right in the heart of downtown. With motels, restaurants, bars, and shopping all right there, you can feel confident leaving your car at home. ■

Deliciously **DELLS**

With nearly 100 restaurants in an area of less than 20 square miles, the Wisconsin Dells dining scene has something for every taste. Now, how to explore all that scrumptiousness?

A good starting point is to break it down by flavor profile. ▶

SALTY

When people think salty, they often think appetizers, so that's where we went with this category. Nosh on the white cheddar cheese curds at [Monk's Bar & Grill](#) or [Lake City Social Grill & Bar](#)'s curds that can be ordered "loaded" with everything seasoning and bacon. [San Antonio Mexican Restaurant](#) is located right off Broadway and offers chips with guacamole, queso, or salsa. When at [Wisconsin Brew Pub](#), we challenge anyone not to try at least a bite of the giant pub pretzel with beer cheese sauce.

SAVORY

The savory list could go on and on, so consider this list just a sampling. At [High Rock Café](#), there's the dinner favorite Soprano Sandwich, piled high with sautéed garlic shrimp, bacon, Swiss cheese, lettuce, and tomato and served with seasoned French fries. For a savory take on a classic, order the Philly Mac at [MACS – Macaroni and Cheese Shop](#) or the vegetarian fettuccini at [Sarento's Restaurant](#). The Green Bay Dog with melted cheddar and chili at [Hot Dog Avenue](#) easily makes this list too.

SOUR

Pucker up for this list of sour sensations, starting with the full array of pickles at [The Pickled Cowboy](#). There's a hint of sour balanced with sweet in the fresh blueberry lemon cream pie at [Country Bumpkin Farm Market & Lil' Bumpkin Play Village](#), and same goes for their strawberry rhubarb pie. Savor the sour flavors in the German Sampler at [Brat House Grill](#), featuring brats, sauerkraut, and spaetzle. For sour with a bit of spice, try the cilantro-lime rice served with carnitas at [Mexicali Rose](#).

UMAMI

Not familiar with umami? Known as the "fifth taste," it describes the flavor profile of many meats and seafoods. For a fine dining experience that's umami-forward, order the filet mignon or prime rib with a sautéed mushroom enhancer at [The Boathouse](#). Another spot for umami is [Hot Rocks – Sear. Sizzle. Savor.](#) where you cook your meal tableside over lava stones heated to 750 degrees Fahrenheit. Order the seafood trio of ahi tuna, shrimp, and scallops for a taste of umami deliciousness. ▶

every time you come to visit?

You know how you crave certain foods every time you're on vacation? In Wisconsin Dells, here are some of the most crave-worthy specialties:

- 1** The homemade buttermilk donuts at [Paul Bunyan's Northwoods Cook Shanty](#).
- 2** The Chalet burger with toppings of your choice at [Chalet Lanes & Lounge](#).

- 4** Friday fish fry at [River Walk Pub Food and Spirits](#).
- 5** Jerk chicken and pork at [Bobbers Island Grill](#).

HEALTHY LIST OF ALLERGY FRIENDLY OPTIONS

Many Wisconsin Dells restaurants are allergy friendly and are conveniently noted as such in the Allergy Friendly column in the restaurants list starting on page 141. A few standouts include [Buffalo Phil's Pizza & Grille](#), [Moosejaw Pizza & Dells Brewing Co.](#), and [Summer House Grill & Bar](#).

SWEET

Closing the list, just as this flavor often closes a memorable meal, is sweet. Surely, you're familiar with the many fudge shops in downtown Wisconsin Dells, but you can also satisfy your sweet tooth at [Cheese Cake Heaven Deli Restaurant](#), famous for its frozen cheesecake on a stick dipped in chocolate. Enjoy over 1,100 different kinds of candy at [Goody Goody Gum Drop](#), with two locations around town. Sweet treats come with photo ops and candy statues at [Pure Sugar Factory](#), so make sure to indulge with a camera in hand. ■

📍 Wollersheim Winery & Distillery

SIP, SWIG, SAVOR

Plus craft brews for the beer
drinkers in the group

To each their own taste. That idiom is the perfect opener to this story on libation selections in Wisconsin Dells. The six distinct wineries in the area make for a very nice wine sampling experience. There's a new brewery that joins an established one, several distilleries, and wine and beer events too.

“Cheers” to sipping and sampling on the way to finding your favorites. ▶

WINERIES

What to try first and why

With six wineries in the area and growing, the case can be made to plan a Wisconsin Dells wine trail vacation. Use this as your trail guide.

Balanced Rock Winery

This winery and vineyard is at the doorstep to Devil's Lake State Park in the city of Baraboo, yet it still has a rural feel, with rolling hills and even a driving range on the property. It opened in 2019 and quickly started attracting locals, vacationers, and outdoor enthusiasts taking a break from hiking the nearby Ice Age National Scenic Trail. Try the Seyval, a dry white, or the Rhuberry, a blend of rhubarb and raspberry with notes of both tart and sweet. Balance the sipping with a shareable from their very worthy menu.

Broken Bottle Winery

This is the sister winery to Baraboo Bluff, with a laid-back personality that sits just right with groups of friends. Listen to live music on the outdoor stage, or indoors when fall turns to winter. Play a rousing game of cornhole. Share a pizza. Try a wine flight. It's all in good fun here.

Baraboo Bluff Winery

The views to the majestic Baraboo Bluffs from the vantage point of the vineyards here are breathtaking. If you favor sweet wines, try something from their Girlfriends wine series. Visit in October and take in a vineyard walk and tasting, with the walk taking you to the highest point of the vineyard for the most majestic autumn panoramas.

Wollersheim Winery & Distillery

Acclaimed, historic, scenic, innovative. The list of adjectives could go on and on for this winery that dates to the 1840s. They're known far and wide for their Prairie Fumé – they've been making it for more than 30 years. It was a wine ahead of its time and it's still as popular as ever. This year, the owners will be hosting more bistro dinners – their bistro menu is delicious and thoughtfully prepared, just like their wines. They also have on-site fermenting and distilling of hand-crafted spirits. Find what you like with a spirits flight or go right to a Brandy Old Fashioned made with their Press House Brandy.

Fawn Creek Winery

Of the 14 wines produced here, the eight fruit-flavored table wines are the most popular. They're made from a variety of grapes for a dry base that's sweetened with fruit juice after fermentation of the grapes, so the finish is semisweet. The top seller in recent years has been the Razz Prairie, a raspberry-flavored Pinot Noir that pairs nicely with chocolate. Another huge draw here is the music, with multiple stages to accommodate any sort of weather.

Prairie Hawk Winery

If you're interested in trying mead, this is the winery for you. They use all Wisconsin honey for their mead, and Wisconsin apples for their hard ciders. And let's not forget the wine, with the reds and whites aged in French oak barrels. The quiet outdoor space here really defines the experience, lending itself to pleasant conversation and maybe a taste of their refreshing wine slushies too. ▶

WINE WALKS AND BEER FESTS for 2024

Wisconsin Dells has both a spring and fall wine walk in downtown Wisconsin Dells. For beer drinkers, there's the spring **Rare Barrel Affair** tasting, featuring rare and barrel-aged beers, and **Dells On Tap Weekend** in the fall with a craft beer walk and beer tasting festival. *Details can be found on page 80.*

LOCAL SPIRITS

Dells Distillery makes vodka, whiskey, brandy, gin, and rum. Dine at the restaurant here where the tater tot entrées are irresistible.

Bevy Brewery & Winery

Bevy collaborates with Wisconsin vineyards to source cold-hardy grapes for their wines, which span sweet to dry. They also have a sparkling mead that's not too sugary and more like white wine, plus a cyser that is a blend of three different apples fermented with local honey. Bevy opened its taproom last year after a remodel of what was previously Port Huron Brewing. In fact, they received the original recipe for Port Huron's wildly popular Honey Blond ale, and it's on the menu. The tasting room features a self-pour wall with beer, wine, cider, mead, and soda. Start a tab and sample at your own pace. ■

There are two courses here, so naturally you should golf both. The Oaks is an 18-hole, four-star-rated championship course with views over the glacially carved Wisconsin River Valley bluffs. On this course, you actually drive your cart straight up Christmas Mountain. The Pines is a 9-hole course with rolling hills and is a good fit if your group includes golfers with different levels of experience.

- **Eat at The Del-Bar:** Now in its third generation of ownership – it opened 80 years ago – this place wrote the book on what it means to be a quintessential Wisconsin supper club. The seafood selections are second to none.
- **Spa at Nail Box Wisconsin Dells:** After walking the course, treat your feet to an Organic Spa Pedicure with a sugar scrub, purifying mask, and hot stone massage. ▶

Clubhouse Open Year-Round

We invite you to Play the Canyon at Cold Water Canyon Golf Course, one of Wisconsin's most historic golf courses, located at Chula Vista Resort.

Trappers Turn Golf Club

This 27-hole masterpiece of a course was crafted by none other than two-time U.S. Open champion, Wisconsin's own Andy North, alongside renowned golf course designer Roger Packard. There's also a fun 12-hole, par-3, short course and a very entertaining one-acre, fully-lit putting green.

→ **Eat at Double Cut Steak House:** The restaurant name is the giveaway for what to order, namely their in-house dry-aged steaks. An impressive, handcrafted cocktail list tops the menu at this contemporary steak house. Pop over to [Redd's Piano Bar and Lounge](#) after dinner for live entertainment.

→ **Spa at Spa Kalahari & Salon:** Soothe your muscles with a Warmed Stone Massage or work specific problem areas with a Therapeutic Massage.

SHORT COURSES FOR BIG FUN

Fairfield Hills Golf Course & Driving Range

This 12-hole course is perfect for groups of all skill levels. The option to play a round of 3, 9, 12, or 18 holes from three sets of tees lets you customize your play based on the time and abilities of your group. Start out with some practice swings on the largest and longest driving range in the area with 35+ stations at 350 yards.

Spring Brook Golf Course

A 9-hole gem set against a backdrop of tall pines, this course makes for a relaxing day on the links. A nice value, with early morning summer hours is perfect for those who like to be on the greens at first sun. Start with a Wisconsin bloody mary at the on-site sports bar before you head out.

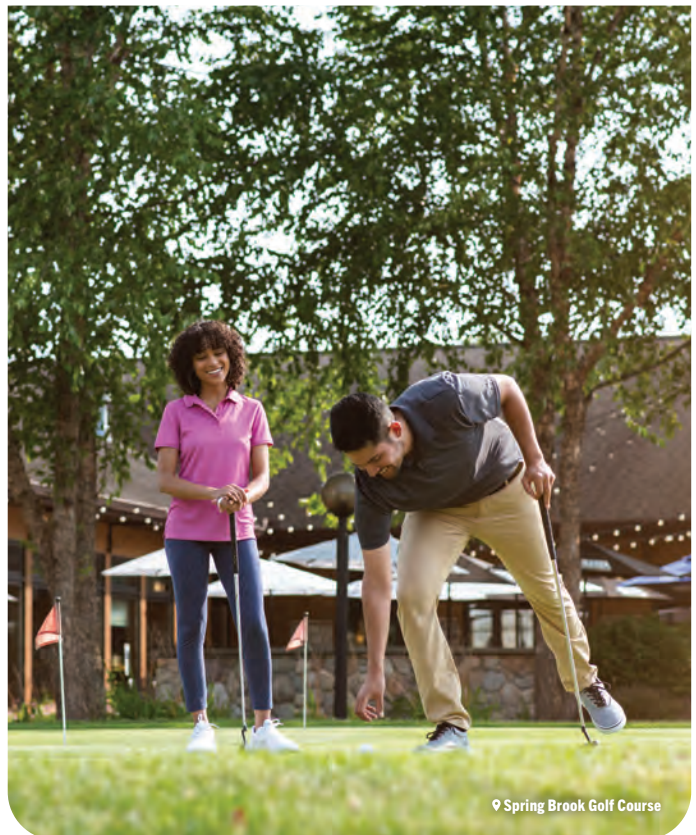

Where to round out your day

→ **Eat at Ishnala Supper Club:** The vibe at this 70-year-old restaurant perched over Mirror Lake is wonderfully retro. Sip a Brandy Old Fashioned at the arrowhead-shaped bar. Roast Wisconsin duck is a dinner favorite. Another local favorite is [House of Embers](#), an establishment known for its hickory-smoked ribs, and rightfully so. Order a full or half rack and grab a seat on the patio with a cold one while you go over the highlights of the round.

→ **Spa at Spa Serenity:** This day spa in nearby Baraboo has a Shoulder Bliss Massage that addresses the neck, shoulders, and upper back – the areas where we all tend to carry stress. ■

1

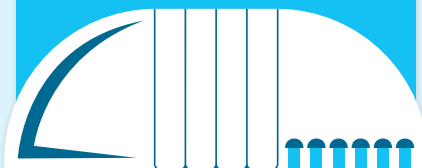

Synthetic turf sports fields for baseball, lacrosse, soccer, and football at the Woodside Sports Complex in Wisconsin Dells.

Six multi-sport fields; **four** baseball / softball diamonds.

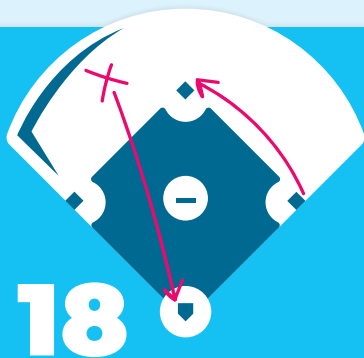

ONE

“Sports Bubble” – Woodside Wisconsin Dells Center, a **90,000 sq. ft.** dome with 70 ft. ceilings and no columns to interfere with the action.

GAME On!

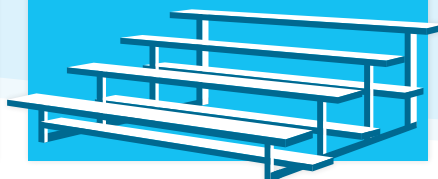

Whether your team is on the court, the ice, or the field, it's all about the competition. After the final buzzer sounds, the team dynamic can still be about competition, but with more fun thrown in. Wisconsin Dells has long been a favorite destination for youth sports, thanks to top-notch venues for a dozen different sports, plus lots of attractions to keep players busy between games. So let the (friendly) competition commence at these rousing team-building spots where everyone wins.

Baseball diamonds spread across **two** Woodside Sports Complex campuses and many **area parks**.

500

Spectator seating around the **full-size** NHL rink at the Poppy Waterman Ice Arena.

6,000

Basketball games – from youth camps to college-scouted tournaments – played each year at Justagame Fieldhouse.

WATERPARK RIDES

Of course, a waterpark competition is necessary in Wisconsin Dells. The Wild West Waterpark at [Wilderness Hotel & Golf Resort](#) recently debuted several dueling translucent tube slides allowing riders to see their competition. [Chula Vista Resort](#)'s indoor waterpark features the Matador Mat Racers slide. [Great Wolf Lodge](#) has the toboggan-style Mountain Edge Raceway slides.

At the outdoor attraction [Land of Natura](#), the challenge is to see if anyone on the team can master all the elements of the country's largest inflatable waterpark. The outdoor waterpark at [Mt. Olympus Water & Theme Park](#) is home to the side-by-side racing slide called Triton's Challenge. Over at America's largest outdoor waterpark, [Noah's Ark Waterpark](#), the Raja slide makes for a wild race between riders who are sent speeding side-by-side with the finish a full six-stories down. Or race your three closest friends on Quadzilla, an extreme mat racer waterslide.

Justagame Fieldhouse

GO-KARTS

Reward your team's efforts with a little speeding around a go-kart track. A must-try are the tracks at [Mt. Olympus Water & Theme Park](#) – one even takes you through a massive Trojan horse in keeping with their Greek theme. The hairpin turns at [ADare Go Carts](#) are a hoot. The elevated track at [Yeti Yard Next Level Adventures](#) is interactive, with players picking up coins and powerups that speed up their cart while at the same time slowing down their competition. Weather not cooperating? There are indoor tracks at [Tom Foolerys Adventure Park](#), [Wilderness Resort](#), and [Knuckleheads Trampoline Park • Rides • Bowling](#).

MINI GOLF

Break the kids into teams or make it a solo competition with a round of outdoor mini golf at [Timber Falls Adventure Park](#), [Pirate's Cove Adventure Golf](#), or [Yeti Yard Next Level Adventures](#). Indoors, it's all about the black light effect. Tackle the Legends of the Lost Jungle course at [Tom Foolerys Adventure Park](#), the Wild Abyss course at [Wilderness Resort](#), Puttheads at [Knuckleheads Trampoline Park • Rides • Bowling](#), and the Avatar-themed course at [Wild Fun Zone](#).

ESCAPE ROOMS

For the ultimate team challenge, see how your team does trying to solve the puzzles, riddles, and tasks before time is up at [Booby Trap Escape Rooms](#), where Pharoah's Revenge is great for beginners and the Slime Lab lets players create their own slime as they try to escape the lab.

ROPES COURSES AND CLIMBING WALLS

The design of [BigFoot Ropes Course](#) goes from easiest to most difficult and spans 80 different elements, so see what level of competition your team is up for at this outdoor attraction. It's a similarly fun scenario at Berry's Landing Ropes Course at [Chula Vista Resort](#). There are bound to be players who are determined to master all 22 climbing elements on the indoor ropes course at [Tom Foolerys Adventure Park](#) before heading over the climbing wall to scramble up to the top level, appropriately named Cloud 9.

LASER TAG

If the players still have energy left after their game, set them loose in a game of laser tag at [Wild Fun Zone](#) or [Tom Foolerys Adventure Park](#). [Wilderness Resort](#) has a three-story laser tag arena where players scramble around 3,000 sq. ft. of interactive targets. ■

Play it **SAFE**

The Wisconsin Dells area has many safety systems and regulations that may look a little different than your hometown. Make sure your next visit is a safe one with these tips.

THE HAWK SAFETY SYSTEM

The **HAWK** (High Intensity Activated CrossWalk) System is designed to allow safe street crossing for pedestrians. Reference the graphic below on how to navigate these unique looking cross lights.

PEDESTRIANS

PUSH THE BUTTON

STOP & WAIT
FOR THE WALK SIGNAL

START CROSSING
ALWAYS WATCH FOR CARS

FINISH CROSSING

DRIVERS

DRIVE & ALWAYS LOOK FOR PEOPLE PLANNING TO CROSS

FLASHING YELLOW SLOW DOWN
THE PUSH BUTTON HAS BEEN ACTIVATED

SOLID YELLOW PREPARE TO STOP

SOLID RED STOP FOR PEDESTRIANS

FLASHING RED STOP FIRST
PROCEED WITH CAUTION IF NO PEOPLE ARE PRESENT

PEDESTRIANS HAVE THE RIGHT OF WAY

Not all crosswalks are regulated by stop lights. Be sure to take your time and watch for children, stopped cars, and pedestrians. Pedestrians should cross only at the crosswalks and walk only on the sidewalks.

WATCH FOR BICYCLISTS

Bicyclists are allowed to ride their bikes on the sidewalks, so watch for bicyclists whether you're on foot or driving a car.

SLOW DOWN

This isn't your typical traffic situation, with first-time visitors often slowing down to get their bearings and to look at all the sights.

MOTHER NATURE

Boaters and swimmers alike should always be alert to strong currents, as this is not something to be taken lightly.

Turn to page 53 for tips on waterpark safety. ■
