## the land of enchanted vacations

It always fascinates me to hear people's excitement when they learn I'm from Wisconsin Dells. Conversation flows to the natural beauty, the canyons and gorges that make up the Dells of the Wisconsin River, and of course, our nationally recognized brand as "The Waterpark Capital of the World!®"

Many reminisce about classic Wisconsin Dells attractions, gone but not forgotten. From Duck and boat rides to thrilling waterslides and roller coasters, from pancake breakfasts and supper clubs to old time photos and fudge shops... the enchanting possibilities are endless. While experiences may differ, they all share a common thread – unforgettable memories of joyful moments spent in Wisconsin Dells.

It is amazing to see how perspective and landscape evolve over time, and Wisconsin Dells is a perfect example of this ongoing transformation. In just the past few years, we've seen an explosion of new development

including vibrant riverside and downtown spaces, restaurants, lodging, and yes, waterparks. Yet, at the heart of all that change, Wisconsin Dells has retained the same captivating essence it has had for generations.

FROM CHILL TO THRILL

# WATERPARKS bring all the action

Whether you are a lazy river lounge or a thrill slide seeker, Wisconsin Dells has your waterpark jam. But with the largest concentration of waterparks anywhere in the world, how do you know where to start? Here is a bit of an insider's guide to help you gauge all of the fun in "The Waterpark Capital of the World!®"

📍 Kalahari Resort Waterparks

## KICK UP YOUR FEET

### CHILLAXING TO THE MAX

If you are looking for more chill than thrill, grab an inner tube and head to one of the lazy rivers. The granddaddy of them all is Adventure River at [Noah's Ark Waterpark](#), a go-to lounging spot for sunseekers who flock to the 70-acre outdoor park each summer. You can relax in the sun any time of year inside at [Wilderness Resort Waterpark](#). The Wild WaterDome has a transparent roof for year-round sunbathing. For those 21 and older, unwind with a cocktail at Margarita's Swim-Up Bar and YeeHaw's Watering Hole. Over at [Kalahari Resort Waterparks](#), swim up for a drink at the Thirsty Turtle Swim-Up Bar. If you prefer reserving your own chill-out spot, many of the waterparks offer cabanas or bungalows for rent. Over at [Land of Natura](#), America's largest floating waterpark, you can even find floating cabanas. This waterpark is situated on a large naturally filtered man-made lake with an array of inflatable water features, sandy beaches, and many more spaces to soak in the summer sun.

## MAKE A SPLASH

### PINT-SIZED THRILLS

Having a special spot for the littles to splash around is top of the list for many families. [Land of Natura](#) has its own Mini-Waterworld, where kids ages five and younger can bounce and splash around on their own inflatables in shallower water. At [Mt. Olympus Water & Theme Park](#), the Icaria Splash 'n Slide was built with young ones in mind. It has ten smaller slides ranging from four- to ten-ft. tall, plus water spray features, and a kiddie pool, making it the ultimate fun zone. Check out other great splash pads and water playgrounds at [Great Wolf Lodge](#), [Chula Vista Resort](#), and [Yogi Bear™ Camp-Resort & Water Playground](#). ▶

## CATCH A WAVE

### WAVES OF EXCITEMENT

You don't need an ocean to catch a wave in "The Waterpark Capital of the World!®" Poseidon's Rage at [Mt. Olympus Water & Theme Park](#), one of the largest wave pools on the planet, has nine-ft. waves surging out one after another. Grab a tube and head over to [Noah's Ark Waterpark](#), where the Kahuna Wave Pool is still a top spot for an exhilarating ride on the waves. Or bring it inside at [Wilderness Resort Waterpark](#), where you can bob around any time of year in the Great Wave, the nation's largest indoor wave pool. You can also try to tame the waves on a surfing simulator. [Noah's Ark Waterpark](#) features Surfing Safari and over at [Kalahari Resort Waterparks](#), grab a board and try out the FlowRider.

## HEAD TO THE RACERS

### CHASING THE THRILL

Headfirst; side-by-side. It is the traditional setup for all the mat racer waterslides in Wisconsin Dells. Triton's Challenge at [Mt. Olympus Water & Theme Park](#) is a six-lane downhill racer where you can compete with family and friends. At [Chula Vista Resort](#), take the challenge on the Red Rock Racers. [Great Wolf Lodge](#) will have you racing down a four-story drop on the Mountain Edge Raceway. Over at [Noah's Ark Waterpark](#), Quadzilla has four slides including twists and drops. And [Wilderness Resort Waterpark](#) recently added Warped Wagons, a two-lane dueling mat racer, and Twisted Trails, dueling tube slides. Grab your besties and see who can make it down first. ►

Noah's Ark Waterpark

**Q**  
Mt. Olympus Water & Theme Park is also home to America's first rotating waterslide, Medusa's Slidewheel.

## ROCKET UP & DOWN A WATER COASTER

### FAST AND FURIOUS FUN

For a fast and furious ride, try out a water coaster. Zoom down the shoot on a two- or three-person raft, as the force of water pushes you up and down in this unique combo experience – part roller coaster, part waterslide. A fan favorite is the Master Blaster at [Kalahari Resort Waterparks](#), offered year-round in their 125,000-sq.-ft. indoor waterpark. Outside at [Noah's Ark Waterpark](#), face your fears and take on Black Anaconda, one of the longest water coasters in the nation, more than a ¼-mile long. Hold on tight because the raft reaches speeds close to 30 mph!

## DARE TO PLUNGE

### OFF-THE-CHARTS ADRENALINE RUSH

At the top of the tallest of waterslides, there's a moment you realize there is no going back. These are the take-your-breath-away slides. The newest is The Rise of Icarus at [Mt. Olympus Water & Theme Park](#). It towers 145 ft. high and is America's tallest waterslide featuring five thrilling body slides. At [Kalahari Resort Waterparks](#), Screaming Hyena is another slide so high it takes you through the roof to start. The trap door capsules on The Lunar Loop and Cosmic Drop at [Wilderness Resort Waterpark](#) might make you have second thoughts, but when the door drops, it gives way to sheer excitement. Riders may waver between exhilaration and fear at the top of The Point of No Return at [Noah's Ark Waterpark](#). You may say to yourself, don't look down. But once you are on your way and your adrenaline is pumping, the thrill wins you over. ■

SEE FOR YOURSELF!

# WHAT'S NEW in 2025

Zoom down hills, sleep among the treetops, walk luminous adventures, and taste the bounty of fresh cuisine. That's just a sampling of the new attractions, lodging, experiences, and places to dine in Wisconsin Dells. Our businesses are top-notch at keeping things exciting and ever-changing from year to year. Here's all the "new news" you need for your vacation planning.

📍 Aquavia Lumina

## INNOVATIVE & EXCITING NEW ATTRACTIONS

[Aquavia Lumina](#) is a shining example of how technology and nature combine for a truly innovative experience. The newly created enchanted night walk takes you into the beautiful Wilderness Canyon after dark for a multimedia experience with lighting effects such as lasers and projections. A moving storyline with dramatic music along with set designs using natural elements of the canyon's sandstone walls and tree canopy creates a unique narrative as you walk the pathway. Developed in conjunction with an award-winning multimedia studio and presented by [Wilderness Hotel & Golf Resort](#), the experience opened late last fall and is offered year-round.

Who needs snow? [Bigfoot Tubing](#) lets you go tubing any time of year! Jump on the magic carpet to get hauled to the top of the new

"tubing hill," located just off Wisconsin Dells Parkway. The new-fangled ride has a specialized surface that allows tubes to slide down with or without snow. You can even ride in the summer. Dress for the weather but "hold onto your hats" because the adrenaline-pumping slide can reach speeds of up to 35 mph. Challenge your friends and see who can make it down first.

This summer, [Wisconsin Dells Mountain Coaster](#) opens with a new take on catching a thrill in Wisconsin Dells. The new alpine coaster track is built on the rolling hills of the region, seamlessly blending with the natural landscape. Climb aboard your cart, buckle in, and take a scenic ride to the top. Once released, gravity takes over and it's off you go, zooming down nearly one mile of winding track. A handbrake allows you to control how fast you go. Zip along at top speed, navigating sharp curves and exhilarating drops, or ease your way down the scenic descent. The new ride operates year-round and will be lit for nighttime rides as well.

If you are thinking "*what will they come up with next?*" we have the answer – it's [Cheese Ball!](#) The newest downtown attraction is a unique new take on croquet played in a colorful mini-golf-like setting. Players choose their mouse-themed croquet ball and use a mallet to hit it through the holes to earn cheese. There are tricks and traps along the way, including pinball features that bump back your shot creating a greater challenge. And of course, croquet rules encourage you to knock your challengers out of the way. Navigate the mazes and crazy contraptions on a quest to get the most cheese and win the game. Opening this spring for year-round indoor fun!

Your vacation doesn't have to be exhilarating in a loud way. Sneak away for some quiet time at the new [Aquality Float Spa](#). The special Epsom salt immersion experience is a relaxing way to alleviate stress by floating in a tranquil water pod.

## NEW EATS & RETAIL SPOTS

come for the beer, stay for the food

**Hofbrewzhaus & Campsite Beer Garden** says “Willkommen” to a taste of Germany. The new downtown restaurant boasts an impressive selection of authentic German beers – the largest offering in the Midwest. You can also try traditional German foods including brats, schnitzel, pretzels, and more. Check out their beer garden with live music, yard games, and a variety of food trucks.

**Pals Brewing Company** brings Nebraska-brewed small batch craft beers to the heart of Wisconsin Dells. The new brew pub and taproom opened in fall 2024 and features 12 microbrews on tap. You can try a flight of various beers and order from their full menu of food items including burgers, sandwiches, pizza, and appetizers to share. Dine inside or check out their new sprawling outdoor patio with firepit tables, yard games, and TVs to catch the big games.

## welcome to the neighborhood

The newly opened **Big Boy Wisconsin Dells** will take you back to your childhood when you see the iconic statue welcoming you to the new nostalgic restaurant. The menu still features the classic double-decker hamburger with fries and a shake. Or stop in for breakfast for waffles or hotcakes.

For a quick bite, you can't go wrong with the newest fast-food offerings. **Jersey Mike's Subs** is open and serving their famous sandwiches with fresh-sliced deli meats and cheeses. And coming in 2025, **Dave's Hot Chicken** will open shop, specializing in juicy chicken tenders with a range of spicy seasonings.

## a sweet shop with a view to match

Take a drive along Lake Delton to discover the new **AVAZZI Shoppe & Sweets**. Located next to its companion business, **Lake House Grill & Bar**, the shop has a variety of resort wear and unique accessories, but a highlight is their sweet treats. Grab a bag and scoop up a sweet candy assortment or choose a hand-dipped ice cream cone to enjoy on the patio while you take in the beautiful view of the lake.

## NEW LODGING & RESTAURANT COMBOS

A reengineered hotel is opening this summer, leaning into Wisconsin's rural farm heritage. **The Wisconsin Hotel & Conference Center** has a design aesthetic that

harkens to classic farm structures with its soaring roofline, timber beams, and cupolas. It will boast 111 guestrooms, indoor/outdoor pools, a fitness center, and wedding and event space for up to 300 guests. **Farmer in the Dells** will serve breakfast, lunch, and dinner made with fresh, seasonal ingredients sourced from local farms. Their new four-story silo bar will have a chic open-air rooftop area with 360-degree views of the region.

History is preserved with a new project featuring elements of a storied estate home that moved from one lake to another. **Dawn Manor Restaurant, Bar & Speakeasy**, overlooking Mirror Lake, is set to open in May 2025. The new waterfront restaurant was built with the salvaged bricks and materials from the original Dawn Manor that stood on the shores of Lake Delton from 1855 until it was deconstructed in spring 2022. The new 1800s period-themed venue will have restaurant seating for 300 guests, a unique speakeasy bar, and a patio, all with spectacular views of tranquil Mirror Lake. The project also includes the new **Treehouses at Dawn Manor**, four luxury rental cabins built high into the canopy of the trees overlooking the lake and sandstone cliffs.

## INNOVATION MEETS REINVENTION

major renovations & upgrades

**Ghost Boat** returns this summer with a reimagined adventure. The after-dark boat excursion takes passengers up the Wisconsin River to Cold Water Canyon for a daring walk into the cavern. Enhanced with new multimedia storytelling, dramatic lighting, props, and audio effects, it promises to scare and delight those who are brave enough to make the nighttime journey. If you thought **Ghost Boat** was scary before, you haven't screamed anything yet. ▶

Big Boy Wisconsin Dells

The [Del-Bar](#) expanded its front-of-house experience to provide an enhanced pre-dinner gathering space. A new lobby lounge bar and entrance create additional seats to enjoy a cocktail and appetizers before dinner. The new space stays true to the Frank Lloyd Wright inspired design of the restaurant's swanky atmosphere.

Cubby's Cove Waterpark at [Wilderness on the Lake](#) has a fresh look and new water features. A new play structure includes a zero-depth entry with a smaller slide for toddlers, two slides for beginners, a bigger slide for more adventurous kids, and a dump bucket for the whole family. Updates have also been made to the popular lily-pad ropes course and activity pool.

[Kalahari Resorts & Conventions](#) has introduced Sands Splash Oasis, an outdoor waterpark experience with a splash pad, dry playground, basketball hoops, yard games, and a full-service snack bar. The updates don't stop there though. Over at the recently updated lobby, you'll find the brand new [Sortino's Italian Kitchen](#), a casual restaurant and bar where old-school Italian cuisine meets the modern age. Other new and revamped dining experiences include updates to the Cracked Coconut poolside bar, and grab-and-go options with Café Mirage and KuKu's Chicken.

## KEEPING IT FRESH familiar faces with updated spaces

[Moosejaw Pizza & Dells Brewing Co.](#) now has even more space to grab a bite to eat with its new outdoor patio dining area. With more than 600 seats and three floors throughout, the restaurant can really feed a crowd with its specialty pizzas, pub fare, and house-brewed beers and sodas.

A classic motel with all-new accommodations, [Lake Aire Motel](#) completely renovated all its rooms from electrical upgrades and lighting to new beds and linens. Its central location on the parkway makes it a great spot to stay.

## a new take on old-time photos

[Old Abe's Old Time Portraits](#) has a new Huntin' Fishin' theme available with all the costumes, props, and backgrounds you need to create a fun family photo. Over at [Prof. Porter's Old Time Portraits](#) you can dress up for an 1880s summer beach party. Gather your crew and check out the new offerings among the scores of different throwback themes.

## step into something new

[Circus World](#) has introduced a Wagons and Wine guided tour of the circus grounds. You'll see the largest collection of circus wagons on earth, with 260 colorful wagons, and more memorabilia at this historic site. Sip some local wines and even take in the Big Top circus show which runs daily during the summer months.

A new relaxing adventure awaits at [New Life Lavender](#) with the opening of their Lavender Labyrinth in June 2025. The fragrant plants have been growing for a year, creating a

hedge. Now visitors can stroll along the path for a tranquil ¼-mile walk through the unique maze. When you are done, stop in at the farm store for a lavender-infused treat.

## CAMPGROUNDS TAKE IT UP A NOTCH

This spring, [Nature's Touch Campground and RV Park](#) opens with a host of upgrades to improve your camping experience. This includes a remodeled bar with a revamped menu, renovated camp store with expanded offerings, and remodeled restrooms and showers to enhance the visitor experience.

[KOA - Wisconsin Dells](#) is expanding with 55 new camping sites and new amenities for guests, available August 2025. The new KOA Patio Sites for RVs, vans, travel trailers, and pop-ups include Polywood® furniture and firepits. Other new additions include a pickleball court, laundry and bathhouse facilities, a dog park for furry family members, and upgraded Signature Suites for a "glamping" experience. ■

ALL THINGS ANIMAL

# WHERE THE WILD THINGS ARE in Wisconsin Dells

Getting back to nature can take on many forms in Wisconsin Dells. You can cruise the waters, hike the trails, and even explore a variety of animals of our world. From up-close encounters with familiar species of the heartland, to admiring more exotic creatures from afar, you will find an array of animal attractions to enjoy.

## GIDDY UP & GO

Saddle up for a great down-home adventure with one of three horseback riding stables in the area. For a gentle, scenic outing for the entire family, visit [Canyon Creek Riding Stables](#). This one-hour guided tour takes riders into the woods to see Tombstone, a western ghost town. You will ride through a tunnel and over a covered bridge as the trail winds through beautiful Lost Canyon. See a refreshing waterfall and end your adventure with some time at the on-site petting zoo.

For year-round horsing around, [Red Ridge Ranch Riding Stable](#) has something for every season. Trail rides for all skill levels traverse 250 acres of scenic woods and rolling fields, winding along the banks of the nearby Lemonweir River. They also feature horse-pulled wagon trips, and in the winter, you can cozy up under a blanket for a sleigh ride through Wisconsin's winter wonderland. ►

For a more off-saddle experience, a horse-drawn wagon ride by [Lost Canyon Tours](#) is a classic Wisconsin Dells outing enjoyed by generations. The quaint 15-person

carriages begin their journey along the shores of Lake Delton and wind through the spectacular Lost Canyon, a cliff-lined gorge showcasing the beautiful, layered sandstone of our area. Lost Canyon is the longest and deepest land canyon in Wisconsin and a true national treasure.

Another beloved attraction is [Wisconsin Deer Park](#), providing an up-close encounter with wildlife. Here you can pet the deer, feed them, and of course, get an impressive photo-op! There are a variety of deer that roam the grounds. Most notable are the Virginia White Tail, which are native throughout the Upper Midwest. You can also see elk, bison, game birds, llamas, and more. Wander through this calm and relaxing environment, stroll through scenic trails, and experience this historic and educational adventure.

Great hands-on fun for the whole family can be found at [Country Bumpkin Farm Market & Lil' Bumpkin Play Village](#), where

cuteness is blooming with an array of animals, including goats, alpacas, donkeys, peacocks, chickens, ducks, and a sweet miniature dwarf horse named Duke!

Back in town, [Timber Falls Adventure Park](#) also offers a petting zoo. Take in a few games of mini-golf then stop by to see some furry friends and feed them a snack.

## ANIMALS FROM ALL ENDS OF THE EARTH

The Wisconsin Dells area is home to some exotic species. [Timbavati Wildlife Park](#) has more than 400 animals representing 75 different species. Hop on the Safari Train for a voyage to the Grasslands area where you will see rhinoceroses, llamas, and kangaroos. You can also feed the giraffes, camels, and other creatures throughout the park.

For a Big Top adventure, a visit to [Circus World](#) features a history lesson in the menagerie of exotic animals that traveled from town to town by way of colorful circus wagons in the heyday of the art form. The Baraboo site was home to the Ringling Bros. Circus from 1884 to 1918. You can still catch a Big Top performance all summer long featuring animal partners performing alongside their human friends.

## SAVING BIG CATS & MAJESTIC CRANES

There is something special about getting a closer look at some of the largest species. Two groups in the area are working toward education and preservation of some magnificent creatures.

[Wisconsin Big Cat Rescue & Education Center](#) provides a safe home for big cats that have been rescued. The federally licensed sanctuary has 20 years of experience caring for tigers, lions, lynx, and more. You can see these regal creatures on a self-guided tour or get a closer look and learn more about each individual cat on a specialty tour during morning or evening feeding times.

Country Bumpkin Farm Market & Lil' Bumpkin Play Village

Saving some of the world's largest birds is the mission of the [International Crane Foundation](#). Located on a sprawling 300-acre preserve near Wisconsin Dells, the organization cares for over 100 cranes representing all 15 crane species from around the world, ten of which are considered threatened. Walk the winding prairie trails, visit with these beautiful birds, and learn about the foundation's work to breed cranes for release and conserve the wetlands and flyways around the world.

## WILD & OUT THERE

If you venture off the beaten path, you will likely see native animals in their wild environment. Take a stroll along the [Scenic River Walk](#) on the banks of the Upper Dells of the Wisconsin River in downtown Wisconsin Dells; you may spy various waterfowl and the many swallows that nest in the sandstone bluffs throughout summer. Hike the trails in the area's four state parks – [Devil's Lake](#), [Mirror Lake](#), [Roche-A-Cri](#), and [Rocky Arbor](#) – where you are sure to see a woodland creature or two and, if you're lucky, you will spot a deer in the wild. Or venture out to [Land of Natures](#), featuring exclusive wooded hiking and biking trails. Their elevated Mystic Forest Treetop Walkway – 10 to 25 ft. above the ground – is a great spot for wildlife watching. Lucky ones might even see an eagle soaring overhead. ■

## WISCONSIN DEER PARK

Set out on a family adventure to explore the Wisconsin Deer Park, enjoy a 4-block stroll through a 28-acre forest setting. Feed with your own hands many varieties of deer and wildlife. Located one mile south of Wisconsin Dells on U.S. Highway 12 and State Highway 23. Open May – October.

## DELLS BOAT TOURS<sup>®</sup>

SEE IT ALL, DO IT ALL!

# A RIVER runs through it

Did you know that the grand Wisconsin River is the state's longest, stretching 435 miles, and is the cornerstone of how it all started in Wisconsin Dells? The first visitors were drawn here in the 1800s by stunning photos captured by landscape photographer H.H. Bennett. In 1909, Kilbourn Dam was built, creating two sections of the river, the Upper Dells and Lower Dells. The impressive sandstone cliffs stand as a reminder of the area's deep history and today there are many ways to get out on the water to see the beautiful views. ►

In 2025, Original Wisconsin Ducks® is celebrating its 80<sup>th</sup> season, along with its status as the longest continuously operating Duck tour in the world.

## LET US GUIDE YOU

**THE UPPER DELLS** is by far considered to be the crowning jewel of the region. It is along this stretch of the river, north of the dam, where you will see some of the most spectacular rock formations. For a leisurely look at this natural attraction, take a traditional guided trip offered by **Dells Boat Tours®**. You will hear about the history of the area, tales of daring rivermen, and stories of the native Ho-Chunk people. And you will get an up-close geology lesson to boot. The two-hour excursion makes two shore landings that feature some of the most well-known photo-ops. Explore Witches Gulch, a slot canyon with lush moss-covered sandstone cliffs and a narrow winding boardwalk that takes you through a trail of remarkable beauty. At Stand Rock, you can get off the boat to see the famous action shot that made Wisconsin Dells famous. A specially trained dog leaps the five-ft. chasm from the main cliff to Stand Rock, a 47-ft.-tall, free-standing rock formation. It's a reenactment of the first stop-action photo taken by H.H. Bennett, whose photos prompted people to want to experience the natural beauty of the Dells for themselves.

For a fast-paced adventure try a jet boat ride. **Wildthing Jet Boats** and **Jet Boat Adventures** tour the Upper Dells at warp speed. Spin outs and power stops kick up big sprays of water, creating a wonderful way to cool off on a hot summer day. (**Jet Boat Adventures** also runs on the Lower Dells.) For another adrenaline-infused adventure, climb aboard the **Ghost Boat**, a chilling after-dark boat ride to the eerie Cold Water Canyon, where you disembark and dare to walk in on foot.

If laid back is more your style, you cannot go wrong with a serene **Dells Boat Tours® Sunset Dinner Cruise**. The 2¼-hour excursion serves up a delectable surf-and-turf dinner, drinks, live music, and a stop at Witches Gulch for a peaceful torchlit stroll along the boardwalk.

**THE LOWER DELLS** is no sidekick and is not to be outdone. Here you will also see many amazing rock formations and unique landscape features like the Rocky Islands. A traditional one-hour Lower Dells tour with **Dells Boat Tours®** travels downriver to wind around the rocky cliffs that protrude up through the riverbed.

Another popular way to see the Lower Dells is by way of amphibious WWII Ducks.

There are two companies offering tours. At **Original Wisconsin Ducks®** your whole crew can load up, traverse wooded trails, and make splashdowns into both the river and Lake Delton, all from one seat. **Dells Army Duck Tours** also features land-and-water adventures with splashdowns and great up-close views of the beautiful Rocky Island rock formations. A Duck ride is an absolute “must do” for any Wisconsin Dells vacation.

## TAKE COMMAND OF YOUR OWN VESSEL

You can be your own captain and venture out on to local waters by way of the many watercraft rentals in the area. [Dells Watersports: Full Service Marina & Boat Rentals](#) is located on Lake Delton and offers an array of vessels. You can rent pontoon boats for the whole crew, speedy ski boats, and WaveRunners, as well as slower-paced options like canoes, kayaks, and stand-up paddleboards. [Dells Watersports](#) also has locations at Mirror Lake State Park and Castle Rock Lake, located north of Wisconsin Dells.

A variety of watercraft rentals are also available on the Upper Dells. You can rent canoes, kayaks, or a boat for the whole family, for an hour or an entire day, and enjoy waterskiing, tubing, or cruising the river in smaller runabout boats. All of this is available at [Holiday Shores Watersports](#), where they're celebrating their 50<sup>th</sup> anniversary this year.

LET'S GO BACK IN TIME

# HISTORY then & now

The mere mention of Wisconsin Dells instantly evokes cherished vacation memories of time spent with family. This sense of nostalgia inspires each generation to return and create new memories, and it's why our beloved attractions have stood the test of time.

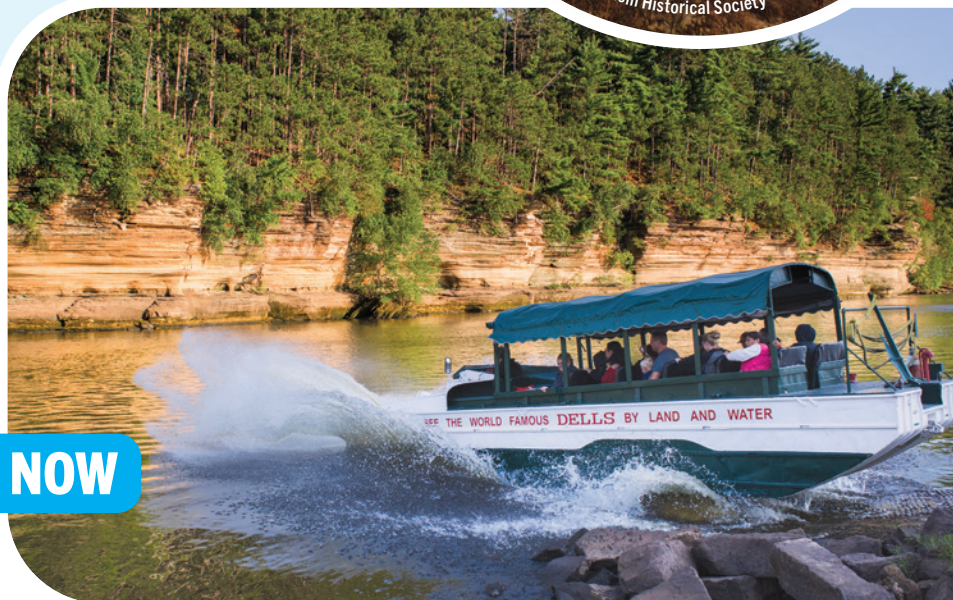

## ORIGINAL WISCONSIN DUCKS®

It is a family vacation staple, taking a ride on an amphibious Duck. [Original Wisconsin Ducks®](#) celebrates its 80<sup>th</sup> season this year. The summer of 1946 saw the first Duck tour embark on the Wisconsin River for an excursion to show off the unique nature of the land-and-water vehicles. Five people were aboard the maiden voyage. It was the start of generations of families piling in together to see the breathtaking scenery, experience the splashdowns, and be amused by charismatic Duck drivers as they deliver their pun-filled jokes. It's a unique adventure and the longest continuously operating Duck tour in the world.

## THE DEL-BAR

In 1943, owners Jim and Alice Wimmer took a risk buying a roadside restaurant. What they started was a traditional supper club that would continue to grow on just that: tradition. Today, 82 years later and after three generations of family owners, [The Del-Bar](#) supper club is still dishing out delicious classics to diners in a renowned Prairie-style establishment designed by Frank Lloyd Wright protégé, James Dresser. ▶

## TOMMY BARTLETT EXPLORATORY - INTERACTIVE SCIENCE CENTER

Hands-on fun for all ages still rules the day at [Tommy Bartlett Exploratory](#)! This area favorite opened in 1982 as Tommy Bartlett's Robot World, featuring lovable animatronic robots inspired by the era's fascination with automation and science fiction. The following year, the Exploratory was added, encouraging visitors to delve into science with challenging hands-on activities. Today, the attraction boasts more than 175 exhibits, including its most famous – an authentic Russian Space Station MIR core module. Maintaining the same steel center ring, the iconic retro space capsule facade was replaced in 2018 with a friendly blue robot face peering out to greet visitors.

## RIVERSIDE & GREAT NORTHERN RAILWAY

What began as a hobby for a Janesville family in the late 1940s has become a long-running scenic tour in Wisconsin Dells. [The Riverside & Great Northern Railway](#) opened for tours in summer 1953, as the Sandley family built the 15-in. gauge tracks and the smaller trains that run on them. Their idea was to promote the smaller steamers to small towns and developing countries for transportation. Instead, tourism venues and private estates jumped on board with the idea. By 1981, efforts shifted to persevering the unique small locomotives for scenic tours.

## ISHNALA SUPPER CLUB

This legendary restaurant has catered to generations of diners during its rich 72-year history. [Ishnala Supper Club](#), whose Native name means "by itself alone," was once a ceremonial site for the Ho-Chunk people. Settlers purchased the land in 1826 to establish a trading post, and in 1909, the Coleman family bought it to build their dream home. In 1953, the Hoffman Brothers became the owners, creating Ishnala as it stands today. After working for the Hoffman Brothers for 20 years, current owner Bob Prosser purchased Ishnala in 1993 and continues to provide an exceptional supper club experience where visitors sip old fashioned while watching the sun set over Mirror Lake.

## H.H. BENNETT STUDIO & MUSEUM

The [H.H. Bennett Studio & Museum](#) preserves the vision and history of the man who made Wisconsin Dells famous. Henry Hamilton Bennett was a pioneer of his time, taking stereographic landscape photos of the stunning cliffs and caverns along the Wisconsin River. A debilitating Civil War injury ended his work as a carpenter and began his legacy as a visual historian when he purchased his first tintype studio in 1865. In 1875, he moved to the Broadway location, still considered the oldest operating photography studio in the United States. Today, visitors can explore the life of Bennett and engage in interactive exhibits highlighting his work. ▶

## WISCONSIN DEER PARK

For more than 50 years, [Wisconsin Deer Park](#) has provided a wonderful personal experience where visitors can handfeed the more than 100 deer that wander the 40-acre wooded grounds. The park is one of Wisconsin Dells' original attractions, owned and operated by the Tollaksen family, who are dedicated to providing a peaceful habitat for their animals and a great educational experience for guests. ■

## YOGI BEAR™ CAMP-RESORT & WATER PLAYGROUND

Jellystone Park camp-resorts featuring the lovable Yogi Bear character are synonymous with nostalgic family entertainment. The concept began in Sturgeon Bay, Wisconsin, in 1969, and soon after, the Gasser family created a Warner Bros. franchise in Wisconsin Dells, opening Yogi Bear's Jellystone Park™ in 1971. Over five decades, the resort grew rapidly, now with a variety of lodging options, live entertainment, free recreational activities, and of course, daily appearances of the Yogi Bear characters.

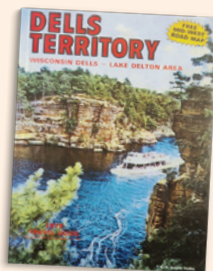

Wisconsin Deer Park's main attraction, Virginia white-tailed deer, are much smaller than people might think. On average they stand less than three ft. tall from shoulder to ground.

LET'S TAKE THIS OUTSIDE

# NURTURE with nature

Get outside and soak up the energy of Wisconsin Dells' natural beauty.

🔍 Devil's Lake State Park boasts two large sandy beaches, spectacular 500-ft. cliffs, and miles of hiking, mountain bike, and cross-country ski trails.

📍 Devil's Lake State Park

📍 The District

There is something about being outside in the elements that inherently grounds us, brings reinvigoration, and an undeniable sense of calm. Maybe your break with nature is soaking up the sun poolside in the summer, breathing in the crisp air in the fall, or warming your hands at an outside fire in the winter. It's the little moments that relieve stress and bring new life into your day. Fortunately, our beautiful landscape has an abundance of nature's healing properties.

## GET OUT INTO NATURE

Beyond Wisconsin Dells' man-made excitement is a wide world of nature-made possibilities. It's our breath of fresh air, and getting outside with your family will help restore balance. This can be as simple as standing on the banks of the Wisconsin River, hearing the roar of the Kilbourn Dam, and listening for the call of a hawk overhead. Retreat from the bustling downtown to explore the [Scenic River Walk](#), where you can take in the views or sit and play a quiet game of chess on the outdoor game tables. ►

Enjoy a meal with a great view from one of the many waterfront dining spots. On the Upper Dells, [River Walk Pub Food & Spirits](#) serves up pub favorites and sports plenty of seating on its rustic timber deck. Also, along the river, [The Boathouse](#), located inside [The VUE - A Boutique Hotel](#), features delicious cuisine with some of the best views. [The District](#) is a lively downtown spot with a sprawling deck, live music, and tasty food from its scratch kitchen. You can also indulge in beautiful river scenery, delicious food, and a torchlit stroll on a [Dells Boat Tours® Sunset Dinner Cruise](#). Enjoy a stunning view of Lake Delton when you grab a bite at [Ravina Bay Bar & Grill](#) or [Lake House Grill & Bar](#). Both have abundant outdoor deck seating, and you can even arrive by water, with lakeside boat docking available.

## MOVE YOUR BODY

Experience an endorphin boost when you get outside and immerse yourself in nature. For a hiking adventure, there are four state parks in the region with a wide variety of trails for all skill levels. The area's premier natural destination is [Devil's Lake State Park](#), with more than 30 miles

of trails that take you to the top of 500-ft. quartzite cliffs for a scenic overlook of the 360-acre glistening lake below. Slow down and walk among tall Norway pine trees and bluffs at [Rocky Arbor State Park](#), secluded and smaller, but still big on nature's connection.

As its name suggests, [Mirror Lake State Park](#) is a great place for reflection, with more than 19 miles of trails, and spots for a perfect picnic. A short drive north of Wisconsin Dells reveals [Roche-A-Cri State Park](#). Hike up a set of wooden stairs to the top of a 300-ft.-high rock outcropping and see the historic Native American petroglyphs and paintings along with an amazing panoramic view.

Let nature be the backdrop for an energy rush when you get reinvigorated on a zipline tour. [Bigfoot Zipline Tours](#) offers a 2½-hour adventure along seven lines, where you can soar through the tall pine trees and majestic oaks. [Vertical Illusions Zipline, Kayak & Rock Climbing Guided Adventures](#) offers an eco-canopy tour that begins with a hike to the top of Chimney Rock Park where you'll descend down through the canyon on 11 treetop ziplines. Experience an amazing birds-eye

view on a six-tower course at [Wilderness Canyon Zip Line Canopy Tour](#), or check out [Dells Zipline Adventures](#) at [Chula Vista Resort](#), featuring four different courses for all ages and skill levels.

In the winter, you can move your body on the hills and valleys, with a day of downhill skiing, snowboarding, or tubing at [Cascade Mountain Ski, Snowboard & Snow Tube](#) or [Christmas Mountain Village Ski, Snowboard & Tube](#). Go into silent mode on serene cross-country skiing trails at [Devil's Lake State Park](#) or [Mirror Lake State Park](#).

## IMMERSE YOURSELF IN WATER

A great way to become one with nature is to dive into it. Spend the day on Lake Delton with one of the many watercraft options from [Dells Watersports: Full Service Marina & Boat Rentals](#). Feel the wind in your hair on a WaveRunner or reserve a boat for the whole crew to water-ski, ride the waves on a tube, or swim off a raft. For a quieter ride, take out a stand-up paddleboard, canoe, or kayak. A variety of watercraft rentals are also offered by [Holiday Shores Watersports](#) on the Upper Dells of the Wisconsin River. ▶

The Dells area boasts a great selection of venues that host a range of sporting events, camps, and other competitions. We've got dedicated fields, courts, and rinks, making us a top spot for youth sports tournaments. You can play outside at one of the multi-sports complexes or compete inside at specialty domes or fieldhouses for year-round play.

# PLAY it safe

The Wisconsin Dells area has a number of safety systems and regulations in place to ensure that everyone can focus on fun, while staying safe during their trip.

## THE HAWK SAFETY SYSTEM

Use the **HAWK** (High Intensity Activated CrossWalk) crosswalks to cross roads safely. While pedestrians do have the right of way in a crosswalk, you should still check for traffic and bikes before entering the road. In instances where there are no traffic lights, be sure cars have stopped before crossing.

### PEDESTRIANS

**PUSH THE  
BUTTON**

**STOP & WAIT  
FOR THE WALK SIGNAL**

**START CROSSING  
ALWAYS WATCH FOR CARS**

**FINISH  
CROSSING**

### DRIVERS

**DRIVE & ALWAYS  
LOOK FOR PEOPLE  
PLANNING TO CROSS**

**FLASHING YELLOW  
SLOW DOWN  
THE PUSH BUTTON  
HAS BEEN ACTIVATED**

**SOLID YELLOW  
PREPARE  
TO STOP**

**SOLID RED  
STOP FOR  
PEDESTRIANS**

**FLASHING RED  
STOP FIRST  
PROCEED WITH CAUTION IF  
NO PEOPLE ARE PRESENT**

## WATCH FOR BICYCLISTS

Bicyclists are allowed to ride on the sidewalks, so keep an eye out for them whether you're on foot or driving a car.

## TAKE IT SLOW

Drivers often slow down to get their bearings or take things in. Be mindful of the traffic around you.

## MOTHER NATURE

Boaters and swimmers should always be alert to strong currents. Boats must operate at a "slow-no-wake" speed within 100 ft. of shoreline on Lake Delton, and where marked by buoys on the Wisconsin River.

Turn to **page 45** for tips on waterpark safety. ■
