MISSION STATEMENT

The Wisconsin Dells Visitor & Convention Bureau, Inc. (WDVCB) is the official destination marketing organization for the Wisconsin Dells area whose mission is to grow the economic impact of tourism through marketing, public relations and development efforts that benefit our visitors and member businesses.

ABOUT WDVCB

The Wisconsin Dells Chamber of Commerce was incorporated on October 17, 1949 as a not-for-profit corporation in the state of Wisconsin. In 1956, an amendment to the Articles of Incorporation changed its name to the Wisconsin Dells Regional Chamber of Commerce.

In 1986, its name was officially changed to the Wisconsin Dells Visitor & Convention Bureau, Inc. As a private, not-for-profit corporation, the WDVCB is funded through a combination of room tax, membership dues and advertising co-ops. The WDVCB is governed by a board of directors and organizational bylaws. For more information visit www.wisdells.com/MembersNet. As a membership organization, the WDVCB collectively pools human and capital resources to create and promote area-wide campaigns through various marketing initiatives. We work diligently every day by collaborating and maximizing our resources to grow the Wisconsin Dells/Lake Delton area as a national year-round tourism destination.

The WDVCB represents seven different divisions. Each member belongs to the division, or divisions where their primary source of revenue is generated.

In some cases, multiple businesses in different divisions (i.e. a hotel with a restaurant and a gift shop or restaurant with two area locations) under the same ownership and/or roof in the Wisconsin Dells/Lake Delton area will be required to sign in multiple divisions in accordance with WDVCB bylaws.

Accommodation Division members offer overnight sleeping accommodations for visitors. These include motels, hotels, cabins, condominiums, bed & breakfasts, resorts and vacation homes.

Associate Division members are engaged in providing business to business services or wholesale sales.

Attraction Division members charge a fee for the recreation that they provide to the general public. Examples include, but are not limited to waterparks, museums, go-karts, fun houses, boat tours and boat rentals.

Campground Division members offer overnight and/or seasonal campsites or rental units for visitors.

Restaurant Division members sell immediately consumable food or beverages. This includes restaurants, snack stands, supper clubs, fast food restaurants, ice cream shops, bars and taverns.

Shopping Division members sell general products to the end consumer. Examples include, but are not limited to, gift and souvenir shops, gas stations, convenience and grocery stores and general merchandise stores.

Visitor Services Division members are businesses whose revenue is significantly dependent upon providing services and/or products directly to tourism consumers in the Wisconsin Dells/Lake Delton area. Examples include, but are not limited to, spas, medical/health facilities, transportation, speakers, child care agencies, wedding services and rental companies.
