The growing involvement of PPG employees in public school education has resulted in a formalized process to provide financial resources to public schools where employees are involved. Any employee may sponsor a request to the foundation for a grant request of up to \$1,000 for a project that meets the following criteria:

- promotes systemic change
- cannot be paid for with tax dollars
- capital equipment costs are not eligible
- no single project will be funded beyond a 2-year period
- total project budget may not exceed \$5,000
- directly benefits and engages students
- demonstrates results that motivate students to learn
- affects at least 15 students
- each employee is limited to 3 PELC grants in 1 calendar year
- each school is limited to 5 PELC grants in 1 calendar year
