

## OUR VENUES HAVE BEEN WORKING AROUND THE CLOCK TO **WELCOME BACK CONVENTION ATTENDEES SAFELY**

**Below is a sampling of things that our venues are doing to keep you safe!\***

- ✓ Reconfiguring meeting room layouts to accommodate social distancing practices
- ✓ All used meeting rooms, including any/all AV equipment is being sanitized between groups
- ✓ Continental buffets and coffee breaks will feature more single-serve options and single-use condiments
- ✓ Continuous cleaning of common areas, handles, faucets, dispensers, trash receptacles, buttons and keypads have been implemented
- ✓ Increased use of hospital-grade disinfectants
- ✓ Social distancing markers are in place at most resorts to encourage distance between attendees/guests
- ✓ Hand sanitizing stations are present through convention spaces and resorts

\*We encourage you to visit the property websites directly for their most up-to-date information regarding COVID-19 and safety. This is not a complete guide, and all venues are operating under slightly different safety measures.
