# WDVCB POLICIES

## 1. MEMBERSHIP POLICIES

### a. Change of Ownership

Once the Board of Directors approves a Membership Investment Agreement, the contract is binding for the entire membership year. If a member business is sold, from the time the contract is approved, through the entire membership year, it is the responsibility of the current member (seller) to require the new owner (buyer) to sign a new Membership Investment Agreement. If the new owner (buyer) is unwilling to sign a new Membership Investment Agreement, all financial responsibilities of the original Membership Investment Agreement remain with the current member (seller).

### b. Multiple Obligation

- i. Each member of the Bureau must be a member of, and pay the appropriate membership fees with regard to, all divisions that are applicable to the member's business activities.
- ii. If a person, group of persons or entity owns or holds a majority interest in multiple businesses located within the geographic area described in Section 2.01 of the WDVCB bylaws, each such business must be a member of the Bureau.
- iii. If a person, group of persons or entity owns or holds a majority interest in one or more businesses located within the geographic area described in Section 2.01 of the WDVCB bylaws (which are all required to be members of the Bureau pursuant to Section 2.03b of the WDVCB bylaws) and that same person, group of persons or entity owns or holds a minority interest in one or more businesses located within the geographic area described in Section 2.01 of the WDVCB bylaws, the businesses in which the minority interest is owned will not be required to be members of the Bureau under this section 2.03 of the WDVCB bylaws.

### c. Customer Satisfaction Policy

#### i. Background and Purpose

One of the principal goals of the WDVCB is that each person visiting the Wisconsin Dells - Lake Delton area has an enjoyable experience.

Most visitors will patronize several area merchants during their stay. Because even one bad experience will have a detrimental effect on a visitor's total vacation experience, potentially spoiling the goodwill built up by the WDVCB and those members who have made the visitor's stay a good one, the WDVCB has a vital interest in making sure its members make customer satisfaction a priority in their business operations.

The WDVCB's principal method of monitoring this issue is the number and type of complaints received by it from each member's customers. While the WDVCB recognizes that the number of actual visitor complaints is likely to be considerably higher than the number of complaints received by the WDVCB (many disgruntled visitors will not take the time or effort to file a complaint with the WDVCB), the WDVCB will use only the number of complaints it receives as the criteria for the Customer Satisfaction Policy set forth below. The Board of Directors may consider complaints received prior to the date of the adoption of this Policy in enforcing this Policy.

In accordance with the foregoing, the Board of Directors of the WDVCB has adopted the Customer Satisfaction Policy set forth below in order to protect its vital goals and interests.

The Board of Directors of the WDVCB is authorized by the WDVCB's Bylaws to adopt those rules, regulations and policies it sees fit, and to publicize the same to the WDVCB members. Any member who violates the WDVCB's Customer Satisfaction Policy shall be subject to discipline or expulsion in accordance with Section 2.06 of the Bylaws.

ii. Policy

- (1) Each member shall conduct its business operations such that the number of unresolved "Complaints" (as defined below) received by the WDVCB does not exceed the number of "Permitted Complaints" (as defined below) with respect to such business operations.
- (2) The definition of "Complaints" means the sum of (a) the written letters/emails of complaint received by the WDVCB from the customers of a member, and (b) the Visitor/Customer Concern Documentation Forms generated by the customers of a member.
- (3) The number of "Permitted Complaints" is as follows: (a) for a calendar month: 4 Complaints, (b) for any three consecutive calendar months: 9 Complaints, and (c) for any six consecutive calendar months: 15 Complaints.

iii. Enforcement of the Policy

- (1) The President/CEO of the Bureau and/or delegated staff shall monitor the number of Complaints that are filed against each member.
- (2) If the number of Complaints against a member ("Member") exceeds the number of Permitted Complaints set forth in the Policy, the President/CEO shall refer the matter to the Executive Committee.
- (3) The Board (at the recommendation of the Executive Committee) shall consider the referral at its next Board meeting. Based on the information before it, the Board may make a preliminary determination as to what sanctions, if any, the Board believes are appropriate with respect to the Member. In the alternative, the Board may either (a) refer the matter to a committee (which may be either a Standing Committee or a Special Committee, as such terms are used in the Bylaws) for further review and the determination of proposed sanctions or (b) set the matter over to the next Board meeting for further review and the determination of proposed sanctions.
- (4) In the event the Board (or the committee, as appropriate) makes a determination that it believes sanctions are appropriate, such body shall prepare a written report which details the following: (a) the charges against the Member; (b) each and every sanction the body proposes to be applied against the Member; and (c) the date, time and place of the meeting ("Meeting") at which final action will be taken by such body with respect to the proposed sanction(s).
- (5) The Board (or the committee, as appropriate) shall give written notice ("Notice") of the Meeting to the Member at least fifteen (15) days prior to the date of the Meeting. Such notice shall contain the items listed in the report referenced in the preceding paragraph, as well as such other information as the body giving notice shall deem appropriate.
- (6) The Member shall be given an opportunity at the Meeting to present a defense of the charges in person. The Member shall also have the alternative of submitting a written statement.
- (7) The Board (or the committee, as appropriate) shall consider the information (if any) presented by the Member when the body takes its final action with respect to sanction(s). The Board (or the committee, as appropriate) may not impose sanctions which are greater than the proposed sanctions set forth in the Notice.
- (8) The sanctions which may be imposed against the Member include, but are not limited to, suspension of membership in the Bureau for a period of time, termination of membership in the Bureau, suspension or termination of one or more rights set forth in Section 2.04 of the Bylaws, monetary penalties, public reprimands, and private reprimands. However, the Board (or committee, if appropriate) has the authority to

impose multiple sanctions and/or sanctions not listed above if it determines such sanctions are appropriate.

- (9) Any sanctions imposed against a member must be approved by at least three-fourths (3/4) of the Board of Directors.

d. Employee Entertainment Card (EEC)

- i. Employee Entertainment Cards (EECs) are available to the following employees:
- Individuals employed by businesses in the Attraction, Restaurant/Bar, Accommodation, Campground, Retail and Visitor Services Divisions regardless of where the business is located.

  - Discounts are generally valid for a single use (some businesses may allow multiple uses) and by the cardholder only.
  - Lost, destroyed or misplaced cards will not be replaced.
- iii. Requirements for purchase:
- Paycheck stub dated within past 30 days (from a current member business)
  - Photo ID (acceptable ID's include a driver's license, state ID, Passport, work ID and Student ID). Social Security cards or Birth Certificates may be presented by 14-16-year old's in lieu of a photo ID.
  - Employer-purchased voucher or \$15 cash

e. Guaranteed Seat Policy

- i. For 2020 the Guaranteed Seat threshold is membership dues in the amount of \$25,000 and higher paid by an Attraction Division member.
- ii. New attraction members (businesses that have not yet been in existence for one full calendar year and have not certified their dues category as accurate) signing a membership agreement meeting/exceeding the threshold for a guaranteed seat on the Board of Directors will not be eligible for a guaranteed seat until the business has been in existence for one full calendar year and has certified that their dues category is accurate.
- iii. The full explanation of the Bureau's Guaranteed Board of Directors seat can be found in the WDVCB Bylaws, Section 5.02.

f. Member Directory

The member directory is a "business to business" member tool. It is not intended as a visitor information resource and should not be provided to visitors as such. Member directories are only available for distribution to current WDVCB members.

g. Membership Lists

Membership lists are only available to current WDVCB members. The President/CEO must approve exceptions.

h. Service Club & Membership Organizations

Membership organizations, including service clubs and associations, are eligible for WDVCB membership providing that the individual businesses/people making up that organization are

members of the WDVCB.

i. State Parks

The Board of Directors does not require Devil's Lake, Mirror Lake, Roche-A-Cri and Rocky Arbor State Parks to pay membership investment fees. These parks may be listed on the Bureau's website for their recreational activities. The parks' camping amenities will not be promoted.

j. WDVCB Logo

The Official Wisconsin Dells logo and "The Waterpark Capital of the World!®" logo are registered trademarks of the Wisconsin Dells Visitor & Convention Bureau. These logos are valuable legal and intellectual assets, and unauthorized use of these logos is prohibited. The WDVCB does not license its logo for commercial merchandise use. It is an infringement on the Bureau's registered names, logos and trademarks to produce any commercial merchandise containing the above. Questions regarding this policy should be directed to the President/CEO and/or Director of Sales & Marketing of the Wisconsin Dells Visitor & Convention Bureau.

The basic Wisconsin Dells logo consists of two parts - the graphic element and the text element. Proper use of the logo will incorporate both the graphic and text elements. It is understood, however, that certain uses of the logo preclude the inclusion of the text element. For example, use of the logo on a pin or the spine of a book may necessitate the use of the graphic element alone. Wherever possible, however, the graphic and text elements should be used together.

i. WDVCB Logo Use - Policy

- (1) Members in good standing from the Attraction, Accommodation, Campground, Restaurant/Bar, Retail and Visitor Services Divisions are allowed use of the Official Wisconsin Dells logo in their advertising with approval and as defined below:

ii. WDVCB Logo Use - Approval

- (1) The Official Wisconsin Dells logo may not be used on commercial merchandise including, but not limited to, items like t-shirts, coffee mugs, towels, jackets, etc.
- (2) Members who wish to use the Official Wisconsin Dells logo must obtain approval prior to its use and/or publication. Applications are available from the Bureau's marketing department or online at [wisdells.com](http://wisdells.com).
- (3) Prior authorized approval must be obtained for each marketing publication and/or advertising medium where the member intends use of the Official Wisconsin Dells logo. The logo must be used only for the purpose requested; additional uses require separate approvals.
- (4) Final artwork that utilizes the Official Wisconsin Dells logo must accompany the advertising member's application.
- (5) Final approval must be in writing and signed by both the member using the logo and a WDVCB authorized agent. Failure to obtain prior written approval, or the unauthorized use of the logo, will likely result in the issuance of an immediate cease and desist request and/or other legal action from the WDVCB.
- (6) Approval for use of the Official Wisconsin Dells logo may be granted annually for one calendar year unless otherwise designated. Use of the Official Wisconsin Dells logo in a particular way in preceding years does not constitute authorization to use the logo in the same way for an additional or consecutive year.
- (7) All complete member applications (including artwork or layout) requesting use of the Official Wisconsin Dells logo will be reviewed within 10 working days.

iii. WDVCB Logo Use - Standards

- (1) General Use

All specific criteria as listed above apply.
- (7) Special Use

3. Text & Logo

The member business may use a text link, as noted in item 1, in conjunction with the Bureau's registered Wisconsin Dells logo. (For more information on logo use compliance see *Logo Use Standards - Web, Digital Publications & Interactive Communications Use* policy.)

**\*The position of the return link is recommended to be placed on the home page of the member site, unless the member:**

- Elects to go one click further into their site to provide Wisconsin Dells area content on 50% or more of that page AND provides the Bureau a return link as structured above, or;

A franchise member is defined as a business that pays state and/or national franchise fees and is authorized to sell a company's goods or services in a particular place and to use the brand name and operating system of the franchiser to make a profit, or;
- Is an associate division member. Associate division members are not required to have a return link to the Bureau's website in order to receive a link (see Pricing, Discounts, Coupons & Packages policy for more information.)

It is recommended that such home pages contain general description topics such as "Attraction Packages," "Waterpark/Attraction Tickets Included with your Stay" and the like, which, when clicked, take the user to a description of the non-member content.

(3) Non-members may not be mentioned in member listings on the Bureau's website.

(2) A member may not represent their website as the "official Wisconsin Dells" or "Visitor Bureau" site.

(3) A member business owning same/similarly-named businesses located outside of Wisconsin Dells may mention those properties on their home page if those businesses are located at least 100 miles from Wisconsin Dells.

(4) A member who wishes to use any variation of the Bureau's registered logo as a return link to the Bureau's website, may only do so if there is no non-member content (including logos, photos, promotion of coupon books/programs which contain non-members, etc.) that is "above the fold" (non-member content is readily visible on the screen without scrolling) AND is more than 10% of the page content on the member's website home page. In addition, all other conditions regarding use of the Bureau's registered logo apply (see Logo Policy for complete details). Violation of this policy will result in immediate suspension of all member (and multiple obligation related businesses) benefits. Such home page may contain general description topics, such as "Attraction Packages," "Waterpark/Attraction Tickets Included with your Stay," and the like, which, when clicked, take the user to a description of the non-member content.

A guideline for this is 90% of the advertisement must pertain to the primary business being advertised, with a maximum total limit of 10% of the advertisement available to reference an additional entity that is commonly owned as part of the business group. (except as noted below or in bullet ii.4.)

(a) Full service accommodations, with multiple obligation businesses on site (contiguous) and that are commonly owned as part of the business group, may promote their amenities with no maximum or minimum total ad space reference limitations.

(b) Members with same-name businesses located outside of the Wisconsin Dells area may list those locations in their display ad as long as the list falls within the 10% space limit described in ii.2.

- (3) Advertisements may only contain logos or images of signs specific to the primary business being advertised except as stated in ii.2. and/or ii.4. Logos of package components and/or product logos are not allowed. Logos indicating quality designation(s) (i.e. AAA, Superior Small Lodging, Travel Green Wisconsin, TripAdvisor®, etc.) are allowed and subject to final approval by the Bureau.
- (4) Accommodations and campgrounds offering attraction packages may mention the name(s) and/or use photos of the package components if the business is a member and in good standing of the WDVCB. The mention must also adhere to the 10% maximum ad space limit mentioned in bullet ii.2.
- (5) Photos and/or images used in all display and Picture & Copy (P&C) advertising must be a single image. (no composite images)
  - (a) Photos for P&C ads must be a single image in a minimum of a 2" x 2" format.
  - (b) Display ad photos must be a single image, with a minimum 4 square inch image area (excluding borders - see also bullet 5.c). (i.e. 2" x 2", 4" x 1" or any combination that equals the minimum of 4 square inches as calculated across the image center)
  - (c) Photo borders are not included as part of the 4 square inch minimum image area.
  - (d) Photo overlap is not counted as part of the 4 square inch minimum image area. Only visible portions of the photos are used to calculate the final image area; overlap is subtracted.
- (6) All advertising must address annual dates of operation in ad copy. (i.e. open year-round or open May-Nov, etc.)
- (7) Businesses are allowed a one year publication cycle (i.e. October to October) to indicate a Travel Green Wisconsin "application in progress" designation.
- (8) All ads, except designated bleed ads, must have a border.
- (9) Enhanced grid listings are limited to 200 characters (punctuation and spaces included) and no more than 10% of the 200 characters may be uppercase.

### iii. Ad Page Limitations & Sizes

- (1) Ad Page limitations for every division, not including grids or the meeting facility section, are one page per member business contract. Exceptions to this rule are as follows:

Key to the existence of a Wisconsin Dells festival or event are the following elements:

The festival or event should:

1. Generate traveler expenditures and result in overnight stays

8. Build irreplaceable 'community capital' for the future
